

Sully Community Library

318 6th Ave.

Sully, IA 50251

(641) 594-4148

sullylib@netins.net

The Sully Community Library is fortunate to be able to provide their patrons with fiber-optic connectivity. The higher speed offered by the network provides a more reliable internet service for our patrons.

Fiber connectivity has given us the ability to offer classes and workshops.

We appreciate the progress that allows the Library to have the latest communication technology, generously donated by the Sully Telephone Association.

Sincerely,

A handwritten signature in cursive script that reads "Kathy Zylstra".

Kathy Zylstra

Library Director
