

Lynnville Telephone Company, Inc.
305 7th Ave. / PO Box 308, Sully, IA 50251
dhl@netins.net

Date: 10/01/2019

Demonstrated Experience:

Lynnville Telephone Company was established in 2002. We have over five years direct experience with central office and out-side plant FTTH technology deployment.

We currently have 85 percent of our customer / locations fiber connected and plan to reach 100 percent fiber connectivity by year-end 2021!

With fiber connectivity we have been able to offer symmetrical speeds up to 100/100 Meg.
