

Customer Survey Responses

Project: Heartland-Akron & Hawarden (rural)

As part of Heartland Telecommunications Company of Iowa's ("Heartland") ReConnect Grant application filed with the USDA this past June, it sent out surveys to locations within the TSA. To further indicate strong community support for this Project, please see the below responses to the Reconnect survey.

Heartland also included a map as a visual depiction of the representative geographic coverage of these survey responses and to verify that they all fall within the TSA.
