Dear Mr. Boone,

Thank you for submitting a grant application to the State of Iowa Broadband Grants Program - Empower Rural Iowa Initiative (NOFA #002). The Office of the Chief Information Officer requests the following clarifications concerning your application (#330915 - Rural Akron & Hawarden):

1. In your Core Application Exhibit B (Prospective Product Attributes), you provided a Latency of 8. In NOFA #002, Section 3.1.6.2, Latency is defined as "The average time it is estimated to take, expressed in milliseconds, for data to travel from the customer edge router ingress/egress point to the router specified by and as measured by the Internet Speed Test Tool [See <http://iowa.speedtestcustom.com>], upon Project Completion." Please confirm the estimated latency for the network you have proposed in your project application.

Please provide the above requested clarifications by **Thursday, November 14, 2019 at 5:00 PM CST**. Please email your response to ociogrants@iowa.gov.

Please let us know if you have any questions about this request for clarification.

Sincerely,

Office of the Chief Information Officer
State of Iowa
