### Comment

OmniTel Communications currently offers broadband services of speeds greater than 25/3 with capabilities of up to 1G/1G, in the city of Carson, Iowa, delivered via a state-of-the-art fiber broadband network infrastructure. Please see the attached file for a list of census blocks included in Western Wireless' application that overlap where OmniTel Communications already provides service at speeds greater than 25/3. Please also refer to the attached customer bills as further evidence of OmniTel Communications' service provided to the city of Carson, IA.
