Joanne,

The State of Iowa Office of the Chief Information Officer ("Office") has reviewed your comment submitted in response to Broadband Grant Application #331564 - Maquoketa Valley Electric Cooperative - MVLink Fiber Build. In reviewing the materials you submitted, the Office interprets your comment to mean that there are a number of United States Census Blocks within which you offer or facilitate 25/3 broadband service that overlap with the Application referenced above, some of which are listed in the evidence you submitted.

To assist the Office with its evaluation of the Application, we request that you complete the attached Affirmation, Attestation, and Certification of Service in Claimed Targeted Service Areas Broadband Grants Program Public Comment Validation Process for NOFA #002 form. The form requires that you provide a listing of all the United States Census Blocks within which you offer or facilitate 25/3 or faster broadband service at the present time.

We request that you submit a signed copy of the form by e-mailing a scanned image of the form containing your signature (e.g. PDF) to this e-mail address ([ociogrants@iowa.gov](mailto:ociogrants@iowa.gov)) by no later than Thursday, November 14 at 5:00 PM CST.

Please let us know if you have any questions concerning this request.

Sincerely,

Office of the Chief Information Officer
