RE: Des Moines Co ITQ

Please accept this letter of support and need for the central Des Moines County ITQ. Even in central rural Des Moines County, so close to Burlington, the need for improved broadband service is real.

Local Des Moines County broadband providers MTC Technologies and Danville Mutual Telephone Co. are highly interested in serving additional customers with better broadband services. Both companies past investments have brought hundreds if not thousands of customers into the present times for speeds and reliability.

SEIRPC fully supports this application and implores OCIO to give this zone full consideration in the process to come.

Sincerely,

*Mike Norris*
