

FARMERS MUTUAL COOPERATIVE TELEPHONE COMPANY

FMCTC

Your Total Communications Provider

Farmers Mutual Cooperative Telephone Company was founded in 1904 to serve customers in Shelby County Iowa. It has expanded over the years to include towns in Pottawattamie County, Audubon County , Crawford County and now building in Harrison County.

We have delivered broadband service to members of the Cooperative and non-members since 2001 and have built fiber to the home to all members in the past few years, with expansion to new areas since 2001.

We are proud to be a member owned and operated company that serves in Western Iowa.
