

Cooperative Telephone Exchange
Serving Kamrar and Stanhope Since 1946

Demonstrated Experience

Cooperative Telephone Exchange (CTE) has provided service to Rural Iowa for almost 75 years. CTE has a small staff of well qualified telecommunications employees that strive to offer advanced services throughout the service area.

CTE currently provides fiber Broadband service multiple rural Iowa exchanges since 2006.

CTE also been recognized by NTCA as a Gig capable provider, and currently has multiple broadband service plans that include 10M, 25M, 50M and 100M levels.

Thank you,

Cooperative Telephone Exchange
