Thank you for your email and bringing these items to my attention.

Here is my revised core application. We do not want to apply for the adoption rate grant.

Kalona Cooperative Telephone Company is seeking funds from the CARE act and will not completely proceed if the funds are not received. We will only be able to do part of the project listed here.

Thank you for pointing these things out and thank you for your consideration. We appreciate it.

Thank you for your comment or question concerning the State of Iowa Broadband Program.

Your question concerning the new Broadband Grant Opportunity, Broadband Map, and/or Map Challenge Process will be reviewed by a representative of the Office of the Chief Information Officer. A response to your question will be provided promptly.

Sincerely,

Office of the Chief Information Officer
State of Iowa
