CASS COUNTY
HEALTH SYSTEM

August 5, 2020

To Whom It May Concern:

Telehealth has been beneficial to our patients during the COVID-19 pandemic. Massena Telephone Company's proposed project will allow some of our patients who may not currently have access to broadband to utilize our Telehealth services in the future.

Sincerely,

A handwritten signature in blue ink, appearing to read "Abbey Stangl". The signature is fluid and cursive, with the first name "Abbey" being more prominent.
