Thank you for the email. I must have inadvertently clicked on the Adoption Project Data Certification and the Adoption Certification. I do not intend on applying for the Adoption Project of this grant (NOFA#003)

Attached you will find the minimum upload and download speeds. Thank you for catching that error as I didn't even pay attention to that column as much of the document had self-populated the information. It is now complete and attached.

Thanks for your attentiveness to the application,

Josh Byrnes

Dear Mr. Byrnes,

Thank you for submitting a grant application to the State of Iowa Broadband Grants Program - Empower Rural Iowa Initiative (NOFA #003). The Office of the Chief Information Officer (OCIO) requests the following clarification(s) concerning your application:

1. In the submission of the Broadband Grants Application, you responded in the affirmative for the *Adoption Project Date Certification* as well as the *Adoption Certification*. However, you did not include Exhibit B.1 (Broadband Grants Program Adoption Worksheet) or Exhibit C.1 (Broadband Grants Program Qualitative Attributes) that are a part of the [Broadband Grant Program Core Application](#).

If you are applying for an Adoption Project, please complete Exhibit B.1 and Exhibit C.1 and send your response to ociogrants@iowa.gov.

If you did not intend to apply for an Adoption Project, please affirm your intent to only apply for an Infrastructure Project by responding to this email.

2. The upload/download speeds of Exhibit B of your Core Application are not completed. Please update Exhibit B of the attached Core Application and resubmit.

Please provide the above requested clarification(s) by **Wednesday, August 12, 2020 at 5:00 PM CST**. Please email your response to ociogrants@iowa.gov.

Please let us know if you have any questions about this request for clarification.

Sincerely,
Office of the Chief Information Officer
