TO: Broadband Grant Program – Empower Rural Iowa Committee

RE: Letter of Reference

Dear Committee Members:

The Bank Plus branch in Graettinger, Iowa, has had telephone and Internet services with River Valley Telecommunications Coop for over 30 years. They also provide a 20MB circuit for our ATM machine.

As a banking business in a small rural town, we are thankful to have River Valley, our very own local telecommunications service provider just down the street.

Thank you.

Sincerely,

Brian M. Jackson, Community President
Bank Plus
Graettinger, Iowa
