**Include information about your business structure, history, and table of organization.**

Founded in 1962, IAMO Communications (IAMO) has a history of providing superior telecommunications technology and service to the businesses and residents in Southwest Iowa and Northwest Missouri.

IAMO's key management and Board of Directors' members offer a notable depth of experience to the proposed College Springs East FTTP Project. Combined, they bring over 125 years of telecom/broadband industry experience to the table. The senior management of IAMO includes General Manager/CEO Tim Toepfer and Office Manager Jillinda Thornton. Mr. Toepfer brings 40 years of telephony experience to the project. This level of knowledge ensures the success of the proposed College Springs East FTTP Project. The Board of Directors includes President James Quimby (elected 1984), Secretary Merlin Swanson (elected 1991), Treasurer Russell Adkins (elected 2003) as well as 5 additional members.

IAMO is not currently involved in any pending or threatened litigation or investigation. In addition, IAMO is not currently involved in any administrative, or regulatory proceedings. IAMO has also not been involved with any prior contract default or termination.
