Include information about your business structure, history, and table of organization.

Established in 1954, Webster-Calhoun Cooperative Telephone Association (Webster-Calhoun) has a history of providing excellent customer service and cutting-edge technology to their members. Webster-Calhoun's top priority is providing unmatched customer service, technical capabilities, knowledgeable personnel and superior services to all 4,000 members of the 16 rural Iowa communities they serve.

Webster-Calhoun's key management personnel offers a remarkable depth of experience to the proposed Fraser Broadband Expansion. Combined, the team brings nearly 100 years of telecommunications industry experience to the table. The senior management team of Webster-Calhoun includes General Manager Daryl Carlson, Office Manager Marcie Boerner, and Plant Manager Daryl Promes. This level of knowledge ensures the success of the proposed Fraser Broadband Expansion. The Board of Directors includes a President, Vice President, Secretary-Treasurer as well as 6 at large members.

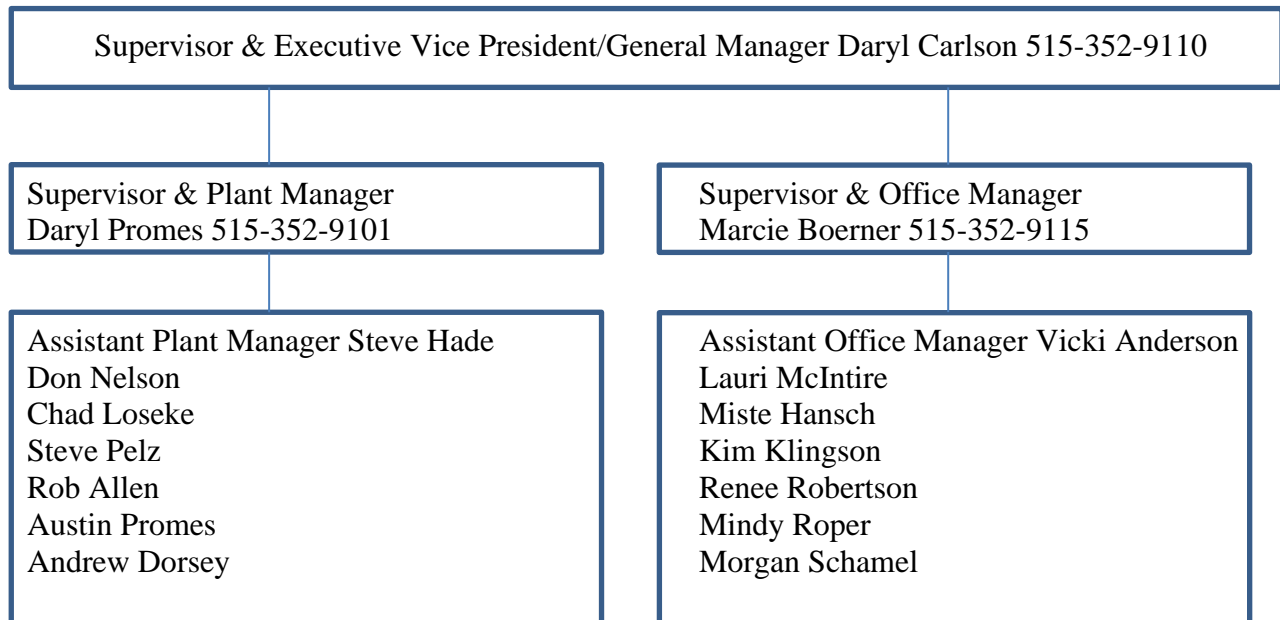

Webster-Calhoun remains actively involved within its local communities. As a small local company, they realize the value in participating as much as possible in the community. Webster-Calhoun is driven to be an active member of the area and commits every possible resource to civic projects, charities and organizations. Webster-Calhoun supports local projects, fundraisers and events that directly affect its customers. Individually, Webster-Calhoun employees are members of the Iowa Communications Alliance, National Telecommunications Cooperative Associations, and area economic development.

Webster-Calhoun is not currently involved in any pending or threatened litigation or investigation. In addition, Webster-Calhoun is not currently involved in any administrative, or regulatory proceedings. Webster-Calhoun has also not been involved with any prior contract default or termination.
