

Demonstrated Experience

Established in 1907 as Maxfield Telephone Company, Readlyn Telephone Company (RTC) serves the community of Readlyn and its surrounding territory. RTC provides voice, data, and video service to its customer base. RTC completed fiber-to-the-premise within Readlyn in 2010 and its surround territory in 2016.

RTC employs 5 staff members who provide support for the services which we provide. The combined telecommunications/broadband experience of the employees is 93 years. In support of RTC's FTTP Rural Waverly Project application, the resume for General Manager Sharon Huck is included. This level of experience ensures the successful completion of RTC's FTTP Rural Waverly Project.

RTC is a financially viable organization with the capability to meet all financial requirements outlined in this project. RTC's goal is to provide the best quality service by providing the latest technology. RTC has a proven history of continued business success and meeting financial obligations within the communities they serve.
