To whom it may concern:

The city of Aspinwall would like to have FMCTC build fiber broadband into our city and the surrounding community to bring service that we need to conduct business, work from home, school and on line access to the internet in our homes and businesses.

We support the application for funding to build this broadband in the areas that FMCTC has applied across the state. Please contact me if you have any questions.

Sincerely,

*IRLbeck*  
Thomas Irlbeck, Mayor of Aspinwall
