Office of the Chief Information Officer
ATTN: Empower Broadband Grant Program
200 E. Grant Ave.,
Des Moines, IA 50309

Dear Office of the Chief Information Officer,

I am pleased to provide this letter of support for Mediacom Communications for a Empower Broadband Grant to help fund construction to the City of Correctionville, IA. This project would provide fiber to the home internet to the community with affordable access to high-speed broadband services.

I fully support Mediacom's application to provide quality broadband access in the Correctionville area of Iowa and would ask for our favorable consideration.

Sincerely,

Carla Mathers, City Clerk
City of Correctionville
