Letter No. 001

Attention: Bill Baker, CEO

Subject: Network Design Review for Iowa Broadband Grants Program—Empower Rural Iowa

Based on our review of the proposed design and from discussions with your team, it is our opinion that the current design will meet the parameters as stated in section 3.1.4.2.1 in the Grant document administered by the state of Iowa.

This opinion is based on preliminary information and design as provided by Nextlink. Upon award, Black & Veatch will provide a review of the final design documentation to verify the statement above.

Best Regards,  
BLACK & VEATCH

Very truly yours,

Robley A. Evans, PE  
Engineering Manager
