The project must be completed no later than September 30, 2026.

Estimated Project Completion Date*

12/31/2023

Has construction on the project begun? *

No

By stating federal funds are necessary to proceed, the applicant is confirming that the project would not be built out to these eligible areas and completed by September 30, 2026 without this funding.

Are federal funds necessary for the project to proceed?*

Yes

Are you applying for a project that will facilitate 100/20 Broadband?*

No

Please include the technology type, facilitated speed and the project area. You may also include information regarding any middle-mile subcontractors that will be facilitating middle mile services.

Briefly describe your project. *

Fiber to the Premises network to serve locations adjacent to Farmers Telephone Company's current service territory. These locations are primarily agriculture based farms that need access to broadband to thrive and survive in today's economy.

By checking this box Applicant certifies, to the best of it's knowledge, that neither Applicant nor any other known Communications Service Provider or other entity has been awarded federal funds for the construction of 25/3 wireline broadband or faster, which funds may include but are not limited to RDOF, ACAM, or other sources of federal funding, for previous or current Broadband infrastructure projects in the Eligible Area(s) forming this basis of Applicant's proposed Project. Notwithstanding the foregoing, this certification does not apply to projects that may have received other sources of American Rescue Plan Funding.*

Minority Impact Statement

Does the proposed grant program or policy have a disproportionate or unique **positive impact** on minority persons? *

Yes

Describe the positive impact expected from this project.

The proposed project will positively impact minority persons by enhancing speeds in the unserved areas of Jefferson County

Detail the rationale for the existence of the proposed program or policy.

According to the U.S. Census Bureau, Jefferson County has a 16.4% minority population. These populations of individuals within the grant area will benefit as a result of the fiber broadband infrastructure. The proposed project will eliminate any disadvantage resulting from lack of access to reliable, high-speed broadband

Indicate the group(s) positively impacted.

Women, Persons with a Disability, African Americans, Latinos, Asians or Pacific Islanders, American Indians

Could the proposed grant program or policy have a disproportionate or unique **negative impact** on minority persons? *

No

I hereby certify the information above is
