

The screenshot displays the SAM.gov Non-Federal Entities workspace. The left sidebar contains navigation links for 'Non-Federal Entities', 'BioPreferred Reporting', and 'Service Contract Reporting'. Below these are filter options for Entity Type, Search by Keyword, Entity, Registration Status, Expiration Date, and Address Update, along with a 'Reset' button. The main content area shows a list of entities, with two visible: 'GUTHRIE TELECOMMUNICATIONS NETWORK, INC.' and 'Panora Communications Cooperative'. Each entry includes a Unique Entity ID, SAM Unique Entity ID, Purpose of Registration, Address, CAGE/NEAGE, Entity Type, Registration Status (Active), and Expiration Date (Feb 13, 2022). The top of the page shows browser tabs and a search bar.
