SAM.gov will auto-extend the expiration for your current registration by 180 days. The Office of Management and Budget (OMB) has authorized a one-time extension due to the unprecedented volume of new registrations anticipated in response to the American Rescue Plan and the expected increased registration processing times.

We encourage you to renew your current registration well before the new expiration date to avoid any gaps in the registration status.

This one-time extension applies to ACTIVE SAM.gov registrations with an expiration date between April 1 and September 30, 2021.

The registration for JEFFERSON TELEPHONE COMPANY/083484477/03SB8 will be extended to 2022-Mar-01
