

Executive Project Summary/Demonstrated Experience

INTRASTRUCTURE PROJECT

Rockwell Cooperative Telephone Association (RCTA) will provide fiber facilities in Cerro Gordo County from the south side of Mason City to the south Cerro Gordo County line and from I35 to the Floyd County line and in Franklin County from the south Cerro Gordo County line to Highway 3 and I35 to Highway 65. The exact census blocks can be found on the Broadband Grants Core Application.

RCTA has been providing service to northern Iowa for 75 years and will continue to comply with all of the terms, conditions, and requirements of Iowa Code section 8B.11, Iowa Administrative Code rule 129-22, and this NOFA.

This project design has been reviewed by our contracted engineer, RCTA would begin construction as soon as reasonable possible.
