***\*\*The below form is to be completed, signed, and submitted ONLY if Applicant requests confidential treatment of any materials or information submitted in its Application, as permitted by the NOFA.***

**II. Confidential Treatment is Requested.** An Applicant requesting portions of its Application be maintained in confidence must complete this form and submit it with its Application. Applicants should familiarize themselves with chapter 22 of the Iowa Code regarding release of public records before completing this Form. Applicants should refer to Section 7.18 (Disposition of Applications/Public Records) of the NOFA for instructions regarding how to request confidential treatment of portions of its Application.

1. **To request confidential treatment, an Applicant must provide the following information in the table below. You may add additional lines if necessary or add additional pages using the same format as the table below.**
  - 1.1. Clearly identify which specific materials or information within which specific sections of the Application Applicant seeks confidential treatment;
  - 1.2. Enumerate the specific grounds in Iowa Code Chapter 22 or other applicable law which support treatment of the material as confidential;
  - 1.3. Justify why the material should be maintained in confidence;
  - 1.4. Explain why disclosure of the material would not be in the best interest of the public.

SPECIFIC INFORMATION FOR WHICH YOU SEEK CONFIDENTIAL TREATMENT	SPECIFIC LEGAL GROUNDS SUPPORTING SUCH TREATMENT	JUSTIFICATION AS TO WHY MATERIAL SHOULD BE KEPT IN CONFIDENCE	WHY DISCLOSURE OF THE MATERIAL WOULD NOT BE IN THE BEST INTERESTS OF THE PUBLIC
Pricing information, including per unit information, contained in Exhibit L and any other portions of the Application.	Iowa Examination of Public Records (Open Records), section 22.7(3), Trade Secrets; defined by Iowa Uniform Trade Secrets Act, section 550.2(4)(a) and (b)	Pricing information, including per unit pricing, is commercially valuable information that can differentiate Cox from its competitors and thus is considered a Trade Secret. Cox derives economic value, actual or potential, from pricing information not being generally known to, and not being readily ascertainable by our competitors ahead of the launch of service, especially in new service areas. Cox takes great efforts to protect the secrecy of proposed pricing and other competitively sensitive information.	Disclosure of competitively sensitive, trade secret information ahead of the launch of service is not in the public interest as it dissuades companies from entering new markets, keeping new and important services, such as high speed broadband internet access services, from being available to more Iowans.
