You successfully submitted your entity registration. This registration record will remain in Submitted status until all external validations are complete. This process is entirely FREE to you. It is FREE to register and maintain your registration in SAM. It is FREE to get help with your registration.

What happens next?

- 1 If you provided a Taxpayer Identification Number (TIN), the Internal Revenue Service (IRS) will conduct a validation of your TIN and Taxpayer Name. This could take two business days. You will get an email from @sam.gov when that review is complete.
- 2 Your registration will then be sent to the Defense Logistics Agency (DLA) Commercial and Government Entity (CAGE) Code system for assignment or validation of your CAGE Code. This also is a FREE service. This step averages two business days, but the DLA CAGE team can take up to ten business days, or longer, in peak periods. You will get an email from @sam.gov when that review is complete.
- 3 If the DLA CAGE team has any questions, they will contact the individual you listed as the Government Business Point of Contact (POC) via email. The email will come from an @dla.mil address. Please tell your Government Business POC to respond right away to any requests from an @dla.mil email. If a timely response is not received, your registration will be returned to SAM and your registration status changed to Work in Progress. You will have to resubmit and provide the requested information to DLA CAGE to continue.
- 4 You will get an email from @sam.gov when your registration passes these external validations and becomes Active. While you are waiting, select Check Status on the SAM.gov homepage to see where your registration is in the review process.
- 5 Remember, it is FREE to register and maintain your registration in SAM. If you get an email from any address that does not end in .gov or .mil, be cautious. If you get an email, text message, or phone call asking for money or payment of any amount, be very cautious. These parties do not represent the U.S. government. You engage third party vendors at your own risk.
- 6 You can get FREE help with your registration by contacting our supporting [Federal Service Desk \(FSD\)](#). In addition, if you are located in the U.S. and its outlying areas, you can get FREE support from your local Procurement Technical Assistance Center (PTAC), an official resource for government contracting assistance. Check the [PTAC website](#) to locate your closest PTAC.
