 The entire registration process will take up to 10 business days to complete. The Federal Service Desk cannot provide further information about your registration unless at least 10 business days have passed since you submitted your registration.

Check Entity Registration Status

The SAM.gov Status Tracker returns the registration status for publicly-searchable registration records. If you are a federal government user, please sign into SAM.gov and use the Search link in the main navigation menu to view registrations or data that are not publicly available.

If you are not a federal government user, you must have a role with an entity to check its registration status.
