

**Complete Section II if you are requesting confidential treatment.**

**II. Confidential Treatment is Requested.** An Applicant requesting portions of its Application be maintained in confidence must complete this form and submit it with its Application. Applicants should familiarize themselves with chapter 22 of the Iowa Code regarding release of public records before completing this Form. Applicants should refer to Section 7.18 (Disposition of Applications/Public Records) of the NOFA for instructions regarding how to request confidential treatment of portions of its Application.

1. **To request confidential treatment, an Applicant must provide the following information in the table below. You may add additional lines if necessary or add additional pages using the same format as the table below.**
  - 1.1. Clearly identify which specific materials or information within which specific sections of the Application Applicant seeks confidential treatment;
  - 1.2. Enumerate the specific grounds in Iowa Code Chapter 22 or other applicable law which support treatment of the material as confidential;
  - 1.3. Justify why the material should be maintained in confidence;
  - 1.4. Explain why disclosure of the material would not be in the best interest of the public.

SPECIFIC INFORMATION FOR WHICH YOU SEEK CONFIDENTIAL TREATMENT	SPECIFIC LEGAL GROUNDS SUPPORTING SUCH TREATMENT	JUSTIFICATION AS TO WHY MATERIAL SHOULD BE KEPT IN CONFIDENCE	WHY DISCLOSURE OF THE MATERIAL WOULD NOT BE IN THE BEST INTERESTS OF THE PUBLIC
Individual estimated or actual Allowable Expenditures, including per unit line-item/cost category and costs/expenditures as reported in Exhibit D – Broadband Grants Program Budget Plan	The redacted information consists of or could be used to calculate specific financial details that are not routinely available for public inspection on the basis that such materials are (a) trade secrets which are recognized and protected as such by law, and therefore properly withheld from public inspection under Iowa Code Sec. 22.7(3) and/or (b) reports to governmental agencies which, if released, would give advantage to competitors and serve no public purpose, and therefore properly withheld from public inspection under Iowa Code Sec. 22.7(6).	The redacted information is competitively sensitive as it includes specific details about the Applicant's deployment budget for the project covered by the Application.	The telecommunications industry is highly competitive. Disclosure of the redacted information would place the Applicant at a competitive disadvantage, impede full and fair competition, and undermine the Applicant's business plans for the Project. Unrestricted availability of these details would provide competitors with specific information concerning the Applicant's plans and budget that would otherwise be private. Confidential treatment of the redacted information is required to avoid commercial and competitive injury, which could cause the Project to underperform or fail. Confidential treatment of these details will not adversely affect the public or any interested

			party.
