Dr. Behrens,

I am writing to express my support for Premier Communications' proposed fiber project for the residents of Hawarden, Iowa.

In today's fast-paced digital age, access to high-speed internet has become an essential part of our daily lives, whether it be for work, education, or leisure. I firmly believe that the proposed offerings from Premier will bring many benefits to the community, enhancing the quality of life for individuals and families in the area.

I am impressed with Premier's wide range of internet packages and pricing options. The introductory plan, offering speeds of 100/100 at only \$39.95 per month, is a perfect choice for those on a smaller budget. I am also pleased that Premier participates in the Affordable Connectivity Program (ACP) which assists those in need. By offering various speeds, up to 1 Gig, Premier demonstrates their understanding of the needs of different customers. These options ensure that businesses, educational institutions, and households alike can find a suitable package for their specific needs.

In closing, I wholeheartedly support Premier Communications' fiber project and internet packages. I believe this will contribute to the growth and development of our community.

Sincerely,

Larry Gregg

To Whom It May Concern:

I am writing on behalf of Premier Communications and the proposed fiber project for the community of Hawarden, Iowa. I would first like to say that I fully support this project as it would make a huge impact for our community!

I was asked to look at and consider the various internet speeds and pricing that Premier is proposing. It certainly appears that these offers are very affordable and competitive. In fact, some of the speeds and prices are for life – sign me up! I really appreciate that their introductory speed of 100/100 is only \$39.95/month which is outstanding for individuals or families that may have a tight budget. Premier also participates in the Affordable Connectivity Program, allowing even more options for families.

It certainly appears that Premier Communications will be offering outstanding speeds and very affordable prices.

Sincerely,

A handwritten signature in black ink that reads "Mike DeBruin". The signature is written in a cursive, flowing style.

Dear Dr. Behrens,

Premier Communications is currently applying for the Empower Rural Iowa Broadband Grant to bring fiber to the southern part of Plymouth County. Part of the application process is having a representative of the proposed area consider Premier's internet offerings, this is something I am happy to do.

After looking at the internet speeds and pricing it is very evident to me that these are both fair and affordable. In fact, I looked up the different providers in Sioux City and compared these to Premier and Premier offers faster speeds and lower prices!

The fiber project that Premier is proposing for southern Plymouth County would greatly benefit those of us that live and work here. Thank you for your time.

Sincerely,

A handwritten signature in cursive script that reads "Gloria McCrystal".

Dr. Behrens,

I am pleased to write a letter concerning the internet packages and pricing for Premier Communications and the fiber project they are proposing. Access to reliable high speed internet access is crucial in today's digital age, and I believe that the proposed offerings from Premier would truly benefit those of us that live and work in southern Plymouth County.

Looking at Premier's pricing and plans it appears that they fit a wide range of needs and budgets. The introductory speed of 100/100 at only \$39.95/month is indeed a great option for individuals and families that are on a budget. Premier also participates in the ACP which underscores their commitment to those in need. They also offer various other speeds, up to 1 Gig, that are appropriately priced.

I thank you for this opportunity and kindly ask for your support for this great project.

Sincerely,

A handwritten signature in dark ink, appearing to read "Scott Johnson", with a long, sweeping horizontal line extending to the right.
