## Minority Impact Statement

---

### *Minority Impact Statement*

Does the proposed grant program or policy have a disproportionate or unique positive impact on minority persons? \*: Yes

Describe the positive impact expected from this project.:

The network proposed in this application is located in an area populated by members of the Omaha Tribe of Nebraska and Iowa and the Winnebago Tribe of Nebraska who would benefit from the proposed project and the broadband infrastructure it would provide. With the funds awarded by this grant, Long Lines LLC plans to implement a forward-looking XGSPON network capable of delivering up to 1 gigabyte per second to each home in the project area, scalable up to 10 gigabytes per second in the future.

Detail the rationale for the existence of the proposed program or policy.:

This project covers an area of need in Long Lines Broadband's ILEC service territory east of the Omaha Tribe of Nebraska and Winnebago Tribe of Nebraska Reservations. Long Lines Broadband believes the speeds that this infrastructure would bring would be beneficial to all of our customers in the area. If awarded, Long Lines intends to fully cooperate with the Tribes, knowing this increased connectivity will enable remote work, remote schooling, and telehealth options that are not currently available, as well as creating the opportunity for increased revenue generation for all local businesses in the area.

Indicate the group(s) positively impacted.: American Indians

Could the proposed grant program or policy have a disproportionate or unique negative impact on minority persons? \*: No

Describe the negative impact expected from this project.:

**Detail the rationale for the existence of the proposed program or policy. :**

**Indicate the group(s) negatively impacted.:**

**Explain how you provided consultation with representatives of the minority groups impacted.:**

**I hereby certify the information above is complete and accurate to the best of my knowledge.\*:**
