**Is your project requesting \$5      No**  
**million or more in grant funds?\*::**

For the relevant project all laborers and mechanics employed by contractors and subcontractors in the performance of such project are paid wages at rates not less than those prevailing, as determined by the U.S. Secretary of Labor in accordance with subchapter IV of the Chapter 31 of title 40, United States Code (commonly known as the Davis Bacon Act), for the corresponding classes of laborers and mechanics employed on projects of a character similar to the contract work in the civil subdivision of the State in which the work is to be performed, or by the appropriate State entity pursuant to the corollary State prevailing-wage-in construction law (commonly known as "baby Davis Bacon Acts")

**I certify the project will conform**  
**the requirements listed above:**

If your project will not conform to the requirements identified by the Department of Treasury consistent with the Davis Bacon Act, your organization may elect to provide project employment and local impact reports detailing the number of employees of the contractors and sub-contractors working on the project; the wages and benefits of the workers and the project classification; and whether those wages are at rates less than those prevailing. Grantees must maintain sufficient records to the substantiate this information upon request.

**I elect to provide project      No**  
**employment and local impact**  
**reporting instead of complying**  
**with requirements established**  
**by the Department of Treasury**  
**consistent with the Davis Bacon**  
**Act for this project.:**

**I certify that this project includes a project labor agreement, meaning a pre-hire collective bargaining agreement consistent with section 8(f) of the National Labor Relations Act (29 U.S.C. 158(F)).:**

If the grantee does not have a project labor agreement, then they must provide a workforce continuity plan detailing: How the grantee will ensure the project has ready access to sufficient supply of appropriate skilled and unskilled labor to ensure high quality construction throughout the life of the project; how the grantee will minimize disruptions that would jeopardize timeliness and cost-effectiveness of the project; and how the grantee will provide a safe and healthy workplace and avoid delays associated with workplace illnesses, injuries, and fatalities; Whether workers on the project will receive wages and benefits that will secure an appropriately skilled workforce in the context of the local or regional labor market; and whether the project has completed a project labor agreement.

**I elect to provide a project workforce continuity plan at the time of award.:** **No**

If the Applicant proposes to Facilitate Broadband service within a Broadband Intervention Zone, provide a description of how any Community Broadband Capital offered by a Community Applicant through the Invitation to Qualify may be used (Refer to the corresponding Broadband Intervention Zone documentation at <https://ocio.iowa.gov>).

**Community Broadband Capital:**

**No**

A Community Benefits Agreement (CBA) is a project specific agreement between a developer and a broad community based coalition that details the project's contributions to the community and ensures community support for the project. The agreement gives the local government the power to enforce the community benefits terms.

**Does your project have a Community Benefit Agreement?** **No**

## Minority Impact Statement

---

### *Minority Impact Statement*

Does the proposed grant program or policy have a disproportionate or unique positive impact on minority persons? \*: Yes

Describe the positive impact expected from this project.:

The proposed fiber project should be positive for all Bremer County citizens but will provide equal access to high speed broadband to the 7% minority and persons with disabilities. Minorities and non-minorities can work from home or learn from home, where and when needed, as the speeds offered will be Gigabit service.

Detail the rationale for the existence of the proposed program or policy.:

While no written policy is in place, the rational is that minorities and persons with disabilities should be afforded high-speed broadband like non-minority citizens. The price point is affordable for 100/100 service as shown in this application.

Indicate the group(s) positively impacted.:

African Americans,Asians or Pacific Islanders,Latinos,Persons with a Disability,Women

Could the proposed grant program or policy have a disproportionate or unique negative impact on minority persons? \*: No

Describe the negative impact expected from this project.:

Detail the rationale for the existence of the proposed program or policy. :

**Indicate the group(s) negatively impacted.:**

**Explain how you provided consultation with representatives of the minority groups impacted.:**

**I hereby certify the information above is complete and accurate to the best of my knowledge.\*:**
