Information regarding pricing, encompassing per-unit details, found within Exhibit L and all other sections of the Application.	Iowa Examination of Public Records (Open Records), section 22.7(3), Trade Secrets; as defined by Iowa Uniform Trade Secrets Act, section 550.2(4)(a) and (b)	Pricing details, encompassing per unit rates, hold significant commercial value, setting Prairieburg Telephone Company apart from its rivals, and as such, are classified as a Trade Secret. PTC derives its economic advantage, whether present or future, from the fact that this pricing information remains confidential, not being commonly available to, nor easily discoverable by our competitors, especially in the context of launching services in new areas.	Revealing competitively sensitive trade secrets prior to service launch is against the public interest, discouraging companies from venturing into new markets and hindering the availability of essential services like high-speed broadband internet access to a wider population in Iowa.
