The City of Rowan is an equal opportunity provider

August 17, 2023

To Whom It May Concern:

The City of Rowan is supportive of Woolstock Mutual Telephone bringing fiber to homes and businesses in our town. A price point of \$55.00 per month for 100mb of broadband is a reasonable price that the majority of our residents could afford.

Having access to reliable, high-speed internet will improve the quality and efficiency of daily living in our small rural community!

Sincerely,

A handwritten signature in black ink, reading "Aimee J Frohling". The signature is fluid and cursive, with the first name "Aimee" and last name "Frohling" clearly legible.
