ITQ Grant Reviewer,

Please accept this Letter of Support for the ITQ grant applications by Harmony Telephone Company. They plan to offer 100/100 service within the FCC Benchmark rate of \$100. They also offer ACP and Lifeline programs to those that qualify. If awarded, this service would be extremely beneficial for our community.

Thank you,

A handwritten signature in blue ink that reads "Ben-D Steines". The signature is stylized, with the first name "Ben-D" and the last name "Steines" written in a cursive-like script.
