Demonstrated Experience

Little Wapsie Communications, LLC was formed by Oran Mutual Telephone Company and Readlyn Telephone Company (RTC). These two Independent Telephone Companies bring a combined service experience of well over 200 years to LWC. Additionally, the management teams have an impressive 80+ years of combined experience in the telecommunications industry. Oran Mutual Telephone Company and RTC formed LWC to provide broadband service in the City of Fairbank, IA with 100% fiber optic service and up to 1G of Broadband service upon request. LWC has been well received in the City of Fairbank. The partnership has worked well, and there have been many requests to expand broadband services into the rural areas. Ultimately, the goal of LWC is to provide sustainable, reliable service along with great customer service to its customers.

LWC is a financially viable organization with the capability to meet all financial requirements outlined in this project. LWC's goal is to provide the best quality service by providing the latest technology. LWC has a proven history of continued business success and meeting financial obligations within the communities they serve.
