The Dunkerton Telephone Cooperative filed Articles of Incorporation (under the name North Dunkerton Telephone Company) in 1907 and has been providing communication services to the community of Dunkerton since. In June of 1980, the company went cooperative. In January of 1996, the Board of Directors approved providing dial-up internet service and has been upgrading plant routinely to keep up with changing technology as able. Currently the cooperative serves just over 600 customers. Dunkerton Telephone Cooperative began fiber installation to the home in 2015 and became 100% fiber served in July 2023. In 2023 Dunkerton Telephone Cooperative utilized funds from NOFA#007 to build outside of the ILEC for the first time to offer broadband services to the community of Dewar.
