

Exhibit L - High Cost project Worksheet (NOFA #008)

Purpose:

This form, labeled “Exhibit L – High-Cost Project Worksheet,” requires an Applicant to justify its average cost per passing when the cost per passing resides within the top 25% of all applications submitted to NOFA 8 (“High-Cost Threshold”).

It has been determined by the Office that the Application submitted falls within the High-Cost Threshold and seeks justification for the cost per passing indicated within the Core Application. The Office may use this information to determine the sufficiency of the cost and whether to disqualify an application exceeding the High-Cost Threshold.

Separate High-Cost Thresholds have been generated for wireless and wireline delivery platforms.

Applicants must provide additional information to the Office to justify the high deployment costs of their proposed project. This information may include a narrative (one page or less) describing contributing or exacerbating factors leading to the estimated total project costs as identified within the Core Application.
