

Windstream Services, LLC
4005 Rodney Parham Road
Little Rock, AR 72212

Windstream is a privately held Telecommunications company and is a leading provider of advanced network communications and technology solutions for consumers, small businesses, enterprise organizations, and carrier partners across the United States. The company provides data networking, core transport, security, unified communications, and managed services to mid-market, enterprise, and wholesale customers. They also offer broadband, entertainment and security services for consumers and small and medium-sized businesses primarily in rural areas in 18 states.

Windstream is made up of over 100 operating companies which includes Windstream Iowa Communications, LLC along with its parent companies Windstream Holdings II, LLC and Windstream Services, LLC. In lieu of identifying each individual operating company, it is not uncommon for "Windstream" to be used generically to address the company as whole.

See accompanying organization chart.
