Executive Project Summary NOFA #008

No costs may be incurred prior to March 15, 2021.

Estimated Project Construction **01/01/2024**

Control Number 527597

Start Date*:

The project must be completed no later than September 30, 2026.

Estimated Project Completion **07/31/2024**

Date*:

Has construction on the project **No**

begun?*:

By stating federal funds are necessary to proceed, the applicant is confirming that the project would not be built out to these eligible areas and completed by September 30, 2026 without this funding.

Are federal funds necessary for **Yes**
the project to proceed?*:

Are you applying for a project that **Yes**
will facilitate 100/100 Broadband
or greater?*:

Are you applying for a project that
will facilitate less than 100/100 but
greater than 100/20 Broadband?*:

Will your project be scalable to a
minimum of 100/100 Broadband
within three years of project
completion?*:

Explain why you are not
deploying a minimum of 100/100
and provide the plan as to how
you intend to reach a minimum of
100/100 speed from both a
technology and deployment
perspective, to occur within 36
months.:

Please include the technology type, facilitated speed and the project area. You may also include information regarding any middle-mile subcontractors that will be facilitating middle mile services.

Briefly describe your project. *:

Metronet proposes an FTTP network covering eligible locations in Gilbertville, an extension of the \$24 million FTTP network it is building in Waterloo. Via a middle-mile route from Raymar, the 100% fiber network will offer speeds up to 2 Gbps.

By checking this box, Applicant **Yes**

certifies, to the best of its knowledge, that neither Applicant nor any other known Communications Service Provider or other entity has been awarded federal funds for the construction of 100/20 fixed terrestrial broadband or faster, which funds may include but are not limited to RDOF, ACAM, or other sources of federal funding, for previous or current Broadband infrastructure projects in the Eligible Area(s) forming this basis of Applicant's proposed Project. *:

Total Project costs are defined as the total costs/expenditures comprising a Project, and for which the Applicant/Grantee may seek reimbursement from the Office. Refer to Section 1.5.2 (Total Project Costs).

Is your project requesting \$5 million or more in grant funds?*: No

For the relevant project all laborers and mechanics employed by contractors and subcontractors in the performance of such project are paid wages at rates not less than those prevailing, as determined by the U.S. Secretary of Labor in accordance with subchapter IV of the Chapter 31 of title 40, United States Code (commonly known as the Davis Bacon Act), for the corresponding classes of laborers and mechanics employed on projects of a character similar to the contract work in the civil subdivision of the State in which the work is to be performed, or by the appropriate State entity pursuant to the corollary State prevailing-wage-in construction law (commonly known as "baby Davis Bacon Acts")

I certify the project will conform the requirements listed above:

If your project will not conform to the requirements identified by the Department of Treasury consistent with the Davis Bacon Act, your organization may elect to provide project employment and local impact reports detailing the number of employees of the contractors and sub-contractors working on the project; the wages and benefits of the workers and the project classification; and whether those wages are at rates less than those prevailing. Grantees must maintain sufficient records to the substantiate this information upon request.

I elect to provide project employment and local impact reporting instead of complying with requirements established by the Department of Treasury consistent with the Davis Bacon Act for this project.: No

I certify that this project includes a project labor agreement, meaning a pre-hire collective bargaining agreement consistent with section 8(f) of the National Labor Relations Act (29 U.S.C. 158(F)).:

If the grantee does not have a project labor agreement, then they must provide a workforce continuity plan detailing: How the grantee will ensure the project has ready access to sufficient supply of appropriate skilled and unskilled labor to ensure high quality construction throughout the life of the project; how the grantee will minimize disruptions that would jeopardize timeliness and cost-effectiveness of the project; and how the grantee will provide a safe and healthy workplace and avoid delays associated with workplace illnesses, injuries, and fatalities; Whether workers on the project will receive wages and benefits that will secure an appropriately skilled workforce in the context of the local or regional labor market; and whether the project has completed a project labor agreement.

I elect to provide a project workforce continuity plan at the time of award.: **No**

If the Applicant proposes to Facilitate Broadband service within a Broadband Intervention Zone, provide a description of how any Community Broadband Capital offered by a Community Applicant through the Invitation to Qualify may be used (Refer to the corresponding Broadband Intervention Zone documentation at <https://ocio.iowa.gov>).

Community Broadband Capital:

A Community Benefits Agreement (CBA) is a project specific agreement between a developer and a broad community based coalition that details the project's contributions to the community and ensures community support for the project. The agreement gives the local government the power to enforce the community benefits terms.

Does your project have a Community Benefit Agreement?* **No**
