**100/100 speed from both a**  
**technology and deployment**  
**perspective, to occur within 36**  
**months.:**

Please include the technology type, facilitated speed and the project area. You may also include information regarding any middle-mile subcontractors that will be facilitating middle mile services.

**Briefly describe your project. \*:**

**This project is designed as an XGS-PON buried Ethernet FTTH network that is delivered to each location with**  
**one or more dedicated strands of fiber that is never shared and can offer speeds up to 10 G or more as needed**

**By checking this box, Applicant Yes  
certifies, to the best of its  
knowledge, that neither Applicant  
nor any other known  
Communications Service Provider  
or other entity has been awarded  
federal funds for the construction  
of 100/20 fixed terrestrial

may include but are not limited to  
RDOF, ACAM, or other sources of  
federal funding, for previous or  
current Broadband infrastructure  
projects in the Eligible Area(s)  
forming this basis of Applicant's  
proposed Project. \*:**

Total Project costs are defined as the total costs/expenditures comprising a Project, and for which the Applicant/Grantee may seek reimbursement from the Office. Refer to Section 1.5.2 (Total Project Costs).

**Is your project requesting \$5 million or more in grant funds?\*: No**

For the relevant project all laborers and mechanics employed by contractors and subcontractors in the performance of such project are paid wages at rates not less than those prevailing, as determined by the U.S. Secretary of Labor in accordance with subchapter IV of the Chapter 31 of title 40, United States Code (commonly known as the Davis Bacon Act), for the corresponding classes of laborers and mechanics employed on projects of a character similar to the contract work in the civil subdivision of the State in which the work is to be performed, or by the appropriate State entity pursuant to the corollary State prevailing-wage-in construction law (commonly known as "baby Davis Bacon Acts")

**I certify the project will conform the requirements listed above:**

If your project will not conform to the requirements identified by the Department of Treasury consistent with the Davis Bacon Act, your organization may elect to provide project employment and local impact reports detailing the number of employees of the contractors and sub-contractors working on the project; the wages and benefits of the workers and the project classification; and whether those wages are at rates less than those prevailing. Grantees must maintain sufficient records to the substantiate this information upon request.

**I elect to provide project employment and local impact reporting instead of complying with requirements established by the Department of Treasury consistent with the Davis Bacon Act for this project.: No**

**I certify that this project includes a project labor agreement, meaning a pre-hire collective bargaining agreement consistent with section 8(f) of the National Labor Relations Act (29 U.S.C. 158(F)).:**

If the grantee does not have a project labor agreement, then they must provide a workforce continuity plan detailing: How the grantee will ensure the project has ready access to sufficient supply of appropriate skilled and unskilled labor to ensure high quality construction throughout the life of the project; how the grantee will minimize disruptions that would jeopardize timeliness and cost-effectiveness of the project; and how the grantee will provide a safe and healthy workplace and avoid delays associated with workplace illnesses, injuries, and fatalities; Whether workers on the project will receive wages and benefits that will secure an appropriately skilled workforce in the context of the local or regional labor market; and whether the project has completed a project labor agreement.

**I elect to provide a project workforce continuity plan at the time of award.:** **No**

If the Applicant proposes to Facilitate Broadband service within a Broadband Intervention Zone, provide a description of how any Community Broadband Capital offered by a Community Applicant through the Invitation to Qualify may be used (Refer to the corresponding Broadband Intervention Zone documentation at <https://ocio.iowa.gov>).

**Community Broadband Capital:**

**This project is part of a BLZ zone and with the Crawford County Secondary Roads assisting with the construction crew as far as windrowing gravel/rock materials from the edge of the secondary routes for easier access to plow, bore and install fiber lines. This will help reduce construction costs as far as time and materials.**

A Community Benefits Agreement (CBA) is a project specific agreement between a developer and a broad community based coalition that details the project's contributions to the community and ensures community support for the project. The agreement gives the local government the power to enforce the community benefits terms.

**Does your project have a Community Benefit Agreement?\*** **No**

## **Demonstrated Experience NOFA #008**

---

### ***Eligibility and Demonstrated Experience***

This section requires information about Applicant's demonstrated experience in provisioning Broadband across the State of Iowa. Applicant shall include relevant information about their experience that has prepared them to deploy their Project, such as, for example, community partnerships and services; history of organization; number of years in business; number of years of experience providing the types of services sought by this NOFA #008; if the Applicant is a relatively new provider/market entrant, an explanation of the benefits, if any, of being a newer provider/market entrant; the level of technical experience in providing the types of services sought by this NOFA #008.

# Minority Impact Statement

---

## *Minority Impact Statement*

Does the proposed grant program      Yes  
or policy have a disproportionate  
or unique positive impact on  
minority persons? \*:

Describe the positive impact  
expected from this project.:

The proposed Schleswig Fiber project will positively impact minority populations by enhancing broadband speeds in unserved areas of Crawford and Ida Counties.

Detail the rationale for the  
existence of the proposed  
program or policy.:

According to the US Census Bureau, Crawford county has a 9.6% minority population and Ida county has a 4.6% minority population. These populations of individuals within the grant area will benefit because of the fiber broadband infrastructure. The proposed project will eliminate any disadvantage resulting from lack of access to reliable, high-speed broadband.

Indicate the group(s) positively  
impacted.:

African Americans,Alaskan Native Americans,American Indians,Asians or Pacific Islanders,Latinos,Persons with a Disability,Women

Could the proposed grant      No  
program or policy have a  
disproportionate or unique  
negative impact on minority  
persons? \*:

Describe the negative impact  
expected from this project.:

Detail the rationale for the  
existence of the proposed  
program or policy. :

Indicate the group(s) negatively  
impacted.:

Explain how you provided  
consultation with representatives  
of the minority groups impacted.:

I hereby certify the information above is complete and accurate to the best of my knowledge.\*:
