The City of Alexander is an equal opportunity provider.**

August 25, 2023

To Whom It May Concern:

The City of Alexander is supportive of Router12 bringing fiber to homes and businesses in our town. A price point of \$60.00 per month for 100Mbps download/100 Mbps upload of broadband is a reasonable price that the majority of our residents could afford. Having access to reliable, high-speed internet will improve the quality and efficiency of daily living in our small rural community!

Sincerely,

Marie J Carroll  
City Council Member

# City of Goodell

To whom it may concern,

In support of the Router12 Networks grant application, I represent the City of Goodell as City Clerk.

Router12 Networks intends to build fiber optic internet to our community and plans to apply for funds as part of the NOFA 8 grant process.

Router12 Networks will be offering the Covered Speed package (100/100) for \$60/mo., which we find to be affordable for our community.

The City of Goodell and its community is looking forward to Router12 Network coming to Goodell.

Thank you.

LuAnn Erdman,  
City Clerk, Goodell, Iowa
