

Broadband Map v5 Community and Provider Challenge Form

The Office of the Chief Information Officer ("OCIO" or "Office") recently published the Statewide Broadband Availability Map version 5 ("Map v5"). Map v5 is designed to facilitate decisions concerning future spending under federally-funded broadband programs. Because Map v5 does not use the tiered structure envisioned by Iowa Code chapter 8B and because future federally-funded grant opportunities made available by the Office in accordance with Map v5 will not conform to Iowa Code chapter 8B, the map challenge process envisioned under Iowa Code section 8B.10 does not apply. However, the Office is making available a challenge process to allow public input into whether the map accurately reflects broadband coverage as of the publication date of Map v5 (the "As Of" date of Map v5).

The Office utilizes maps and data sources made available by the Federal Communications Commission (FCC) and/or developed or produced by contractors or third parties retained or utilized by the Office. These maps and corresponding data sources represent the status of Broadband in Iowa on the As Of date as reported by Communication Service Providers in Iowa. Unlike prior broadband coverage maps, Map v5 identifies broadband coverage by individual locations, making Map v5 far more granular than prior maps that displayed eligibility at the census block level.

Challenges to Map v5 will be based on presence or reliability of service and/or speed. Challengers will be required to provide for every location challenged an address and corresponding IA Location ID, to the extent a Location ID is available on the map. Challenges without this information may not be evaluated.

Every location on Map v5 reflects a status of 'likely eligible' or 'likely ineligible.' This status is based solely on speed and technology type. The eligibility of any particular location is contingent on the requirements associated with the federal funding being used to fund future Notices of Funding Availability ("NOFAs"). Eligibility determinations are subject to change over time. In addition, eligibility designations in no way guarantee facilitation of service in the future through state- or federally-funded broadband builds.

On August 2, 2022, the Office posted the final version of Broadband Availability Map v5 and opened a 30-calendar-day challenge window wherein anyone aggrieved or adversely affected by mapping determinations may challenge the Office's final determination of whether service at a particular location is accurately reflected.

This form is for PROVIDERS and COMMUNITIES only. Resident challengers should fill out the form via the Map on the website.

You must check next to each row that you have read and understood the terms of the challenge process. Without this acknowledgment, the appeal will not be evaluated.

Use the tab titled "Challenge Form" to challenge any particular location. If you would like to report an address not presenting on the map, please use the tab titled "Location Not Present on Map." You can also use this tab to report when the location is not presenting at the correct area.

Challenger acknowledges the following (click checkbox to acknowledge):

The information on the Map may be challenged for conditions existing as of August 2, 2022 (the "As Of" date). Challenges based on changes occurring to broadband service after the As Of date will not be considered.	x	
When submitting a challenge, evidence must be submitted for every location challenged in support of changing the likely eligible or likely ineligible status. Documentation that is speculative, generalized, or vague will not be sufficient. You may use the Sworn Statement/Survey template provided. Supporting documentation must be provided in one pdf. Reference to the page number of the supporting evidence within the pdf must be noted in Challenge Form. Challenged locations without a referenced page will not be evaluated.	x	
<p>The Office reserves the right to reject challenges for a variety of reasons, including but not limited to:</p> <ul style="list-style-type: none"> >> Challenges claiming buildout at a future date; >> Challenges received reflecting incomplete information, including lacking IA Location ID; >> Challenges to a provider's service that are submitted without supporting evidence; >> Multiple challenge forms submitted by a provider or a community; >> Challenges received after September 1, 2022; >> Challenges received without all checkboxes marked indicating acknowledgement of the terms. 	x	
The Office will notify affected parties by posting to the website any notice of challenge received. Final agency decisions shall become final unless within 30 days of the posting of a final decision, a challenger or person or party aggrieved or adversely affected requests a contested case proceeding pursuant to Iowa Administrative Code chapter 129-6.	x

This Grant Agreement (“**Agreement**” or “**Grant Agreement**”) for the deployment of Broadband Infrastructure as part of the Broadband Grants Program, pursuant to and in accordance with Notice of Funding Opportunity Number 006 issued on July 1, 2021, (“**NOFA**”), is effective as of the date of last signature below (“**Effective Date**”), by and between the State of Iowa, acting by and through the Office of the Chief Information Officer (“**Office**”), and The Marne and Elk Horn Telephone Company, a Corporation organized under the laws of Iowa (“**Grantee**”). The parties may be referred to herein individually as a “**Party**” or collectively as the “**Parties**.” In consideration of the promises and mutual covenants and agreements contained herein, the Parties agree as follows:

1. Overview.

- 1.1. *Purpose.* This Agreement establishes the terms and conditions by which Grantee must abide in consideration for State grant funds made available under the Empower Rural Iowa Broadband Grant Program pursuant to Iowa Code § 8B.11, Iowa Administrative Code rule 129—22, and the NOFA.
- 1.2. *Term.* The term of this Agreement (“**Term**”) shall begin on the Effective Date and continue until the Office has reimbursed Grantee for all Allowable Expenditures following Project completion in accordance with the terms and conditions of this Agreement, unless otherwise terminated in accordance with the terms and conditions of this Agreement.
- 1.3. *Scope.* The scope of the project is identified in the Broadband Grants Core Application Excel Workbook (“**Core Application**”) that was submitted with the Application. The scope identified in the Core Application is hereby incorporated by reference into this Agreement.
- 1.4. *Funds.* Grantee is awarded \$4,550,861.64 in exchange for completing the Project in accordance with the terms and conditions of this Agreement, Iowa Code § 8B.11, Iowa Administrative Code rule 129—22, and the NOFA.

2. Definitions. Capitalized terms used but not defined herein shall have the meanings ascribed to them under Iowa Code chapter 8B, Iowa Administrative Code chapter 129—22, and the NOFA. In addition to any other terms defined herein, the following terms shall be ascribed the following meanings:

- 2.1. “**Applicable Law(s)**” means Iowa Code § 8B.11, Iowa Administrative Code rule 129—22, or any other applicable law, rule, or policy.
- 2.2. “**Grantee Contractor(s)**” means any of Grantee’s authorized subcontractors, affiliates, subsidiaries, or any other third party acting on behalf of or at the direction of Grantee, directly or indirectly, in performing or providing the Project under this Agreement.
- 2.3. “**Grantee Personnel**” means employees, agents, independent contractors, or other staff or personnel acting on behalf of or at the direction of Grantee or a Grantee Contractor performing or providing the Project under this Agreement.

3. Project Completion.

- 3.1. *Performance/Certification.* Grantee must complete its Project by April 30, 2025. In addition, prior to the disbursement of any State funds, Grantee must, subject to confirmation and verification by the Office in accordance with Section 3.2 (Performance Testing):
 - 3.1.1. Certify to the Office that the Project was completed as proposed/represented in the Application, including but not limited to, that:
 - 3.1.1.1. The final installation Facilitates Broadband service at or above 100/100 Broadband or 100/20 Broadband, whichever is applicable, in each of the applicable Targeted Service Areas identified in the Application/forming the basis of the Project; and
 - 3.1.1.2. The final installation Facilitates Broadband service at or above 100/100 Broadband or 100/20 Broadband, whichever is applicable, to the same number of Broadband Units (homes, schools,

businesses) located within the Targeted Service Areas forming the basis of the Project as represented in the Application.

- 3.1.2. Identify the total number of Targeted Service Areas to which Broadband Service is Facilitated, and the total number of Broadband Units to which Broadband service is Facilitated in each Targeted Service Area upon Project completion.
- 3.1.3. Supply the Office with geographic information system ("GIS") data in a form acceptable to the Office demonstrating specifically where Broadband Infrastructure for which grant funds have been utilized, in whole or in part, has been installed, regardless of whether such Broadband Infrastructure actually serves any customers in Targeted Service Area(s) forming the basis of the Application at the time such mapping data is supplied to the Office. Such GIS data must enable the Office to determine which specific homes, schools, and businesses within each Targeted Service Area forming the basis of the Project have access to 100/100 Broadband or 100/20 Broadband, whichever is applicable, as a result of the Project.
- 3.2. *Performance Testing.* The Office may, in its sole discretion, conduct performance tests for compliance with the requirements outlined in this Agreement, including Section 3.1 (Performance/Certification), the NOFA, Iowa Code chapter 8B, or Iowa Administrative Code chapter 129—22, on one or multiple occasions for up to five (5) years after Broadband service is certified as complete pursuant to Section 3.1 (Performance/Certification) and Iowa Administrative Code rule 129—22.6(3)(c). The Office may exercise this right both before and after reimbursing a Grantee for any claimed, Allowable Expenditures, but if the Office elects to do so before reimbursing a Grantee for any claimed, Allowable Expenditures, it will do so within a reasonable time, not-to-exceed one (1) year, after Broadband service is certified as complete pursuant to Section 3.1 (Performance/Certification) and Iowa Administrative Code rule 129—22.6(3)(c). Such performance tests may include but not be limited to:
 - 3.2.1. Speed tests anywhere between a Grantee's central office and the demarcation at any customer's location in a Targeted Service Area or Census Block in which the Project was to be deployed;
 - 3.2.2. In the case of wireless installations, from any location in a Targeted Service Area or Census Block in which the Project was to be deployed; and/or
 - 3.2.3. In the case where a Grantee does not have a customer in a Targeted Service Area being served by the installation, certification obtained by the Grantee and supplied to the Office from an independent, third-party, properly licensed engineer that the installation Facilitates Broadband service at or above 100/100 Broadband or 100/20 Broadband, whichever is applicable, in applicable Targeted Service Area(s) as identified in Exhibit B of the Core Application and forming the basis of the Project. The costs of such certification shall be borne by the Grantee.
- 3.3. *Project Completion.* For purposes of this Agreement, a Project shall be considered "complete" as of the later of the date the Office:
 - 3.3.1. Receives the certifications and GIS data required by Section 3.1 (Performance/Certification); and
 - 3.3.2. Verifies that a Project certified as complete complies with the requirements of this Grant Agreement, the NOFA, Iowa Code chapter 8B, and Iowa Administrative Code chapter 129—22 pursuant to and in accordance with Section 3.2 (Performance Testing).
- 3.4. *Consequences of Non-Performance.* Failure to fully satisfy the criteria set forth in Section 3.1 (Performance/Certification), Iowa Code chapter 8B, and Iowa Administrative Code chapter 129—22, as may be verified pursuant to Section 3.2 (Performance Testing), or failure to otherwise complete the Project as represented in the Core Application, may result in the Office's denial of a request for reimbursement for any expenditures related to the Project, and Grantee shall not otherwise be entitled to reimbursement for such expenditures.

4. **Payment Procedures.**

- 4.1. *Timing of Payments.* Payment shall be made in one (1) disbursement upon Project completion, and only after:
 - 4.1.1. The Office's confirmation and verification of Project completion pursuant to and in accordance with Section 3.2 (Performance Testing); and
 - 4.1.2. The Office's receipt of the summary of all final, claimed Allowable Expenditures and other sufficient documentation to support such claimed Allowable Expenditures in accordance with Section 4.4.
- 4.2. *Not-to-Exceed Total Payment.* Total payment of State funds under this Agreement shall not exceed the lesser of the Maximum Funding Request or the State Matching Funds Requested identified in Exhibit C of the Core Application, and the lesser of:
 - 4.2.1. Grantee's total, estimated Allowable Expenditures as set forth in the Budget Plan and, to the extent applicable, the Outside TSA Infrastructure Worksheet; or
 - 4.2.2. Grantee's total, final Allowable Expenditures upon Project completion.The State will not fund projects for more than the Project costs after accounting for any Federal, local, or external matching.

- 4.3. *Allowable Expenditures.* Grantee shall only be reimbursed for “**Allowable Expenditures**” actually and previously incurred by Grantee. “**Allowable Expenditure(s)**” mean Project-related expenditures that are:
- 4.3.1. Directly related to the installation of Broadband Infrastructure that Facilitates 100/100 Broadband or 100/20 Broadband, whichever is applicable, in Targeted Services Areas identified in Exhibit B of the Core Application and forming the basis of the Project;
 - 4.3.2. Utilized for the installation of Broadband Infrastructure in Targeted Service Areas identified in Exhibit B of the Core Application and forming the basis of the Project (except and solely to the extent as otherwise permitted by the Outside TSA Infrastructure Process);
 - 4.3.3. Not incurred prior to the date of the issuance of the NOFA, unless the expenditure meets the following conditions:
 - 4.3.3.1. The cost incurred must be cost reasonable. A cost is reasonable when it is consistent with the market standards for comparable inventory. Inventory is the quantity of goods or materials in stock.
 - 4.3.3.2. The item has a demonstrated proof of purchase and payment.
 - 4.3.3.3. The inventory purchased is within its useful life.
- Allowable Expenditures may not include expenditures (in other words, “**Disallowed Expenditure(s)**”) that are:
- 4.3.4. Related to land buildings, structures, improvements, or equipment not directly used in the transmission of data via Broadband;
 - 4.3.5. Related to the process of removing existing Broadband Infrastructure, fixtures, or other real property in preparation of the installation of new Broadband Infrastructure forming the basis of the Project;
 - 4.3.6. Indirect labor costs or administrative overhead;
 - 4.3.7. Passthrough expenditures with respect to subcontractors or other third parties (including Grantee Contractors) operating on an Applicant’s behalf to the extent they are not the result of arm’s length transactions or are not reflective of fair-market rates.

The Office may deny a request for reimbursement for any expenditures that do not constitute Allowable Expenditures, and Grantee shall not otherwise be entitled to reimbursement for any such expenditures.

- 4.4. *Proof of Allowable Expenditures.* Within sixty (60) days of Project completion and prior to the disbursement of any State funds, Grantee must submit a final summary of all Allowable Expenditures for which Grantee seeks reimbursement on forms supplied by the Office and attest that such Allowable Expenditures are true, accurate, and in fact constitute Allowable Expenditures, actually and previously incurred by Grantee. The Office may request, in its sole discretion, and Grantee may be required to supply additional records to verify any Allowable Expenditures claimed by Grantee. Such records may include invoices, original itemized receipts, copies of checks, check registers, or bank statements indicating credit card invoices were paid. See Department of Administrative Services - State Accounting Enterprise, Procedure Number 204.200, available at https://das.iowa.gov/sites/default/files/acct_sae/sae_manual/204/204-200.pdf, and corresponding procedures referenced therein for further requirements/guidance on the types of records/proof that may be required to support a claimed reimbursement for Allowable Expenditures. The Office may deny a request for reimbursement for any expenditures Grantee claims that are submitted more than sixty (60) days after Project completion or that are not supported by sufficient or appropriate documentation, and Grantee shall not otherwise be entitled to reimbursement for any such expenditures.

- 4.5. *Compensation, generally.* Notwithstanding anything in this Agreement to the contrary, in no event shall the Office be obligated to pay Grantee any fees, costs, compensation or other amounts in excess of the amount expressly set forth herein in accordance with the terms, conditions, and requirements of this Agreement, unless the Office otherwise agrees to pay such fees, costs, compensation other amounts pursuant to a written amendment to this Agreement executed by the Office. Prior to making any payment, the Office shall review any request for payment and related supporting documentation for compliance with this Agreement, the NOFA, and Applicable Laws. The Office will pay all approved amounts in arrears and in conformance with Iowa Code § 8A.514 and Iowa Administrative Code rule 11—41.1(2), and all other applicable laws, rules, regulations, policies and requirements. The Office may pay in less than sixty (60) days, as provided in Iowa Code § 8A.514. However, an election to pay in less than sixty (60) days shall not act as an implied waiver of Iowa Code § 8A.514. Notwithstanding anything herein to the contrary, the Office shall have the right to dispute any request for payment, invoice, or other supporting documentation and withhold payment of any disputed amount if the Office believes the documentation is inaccurate, incomplete, insufficient, or incorrect. The Office’s obligation to make payments under this Agreement is contingent upon the continued availability of funds (federal, state, or otherwise) to the Office. No payment, including final payment, shall be construed as or constitute: (1) acceptance of any Project(s) as satisfying the terms, conditions, or requirements of this Agreement, the NOFA, or any Applicable Laws; or (2) a waiver by the Office of any rights or remedies it may have under this Agreement, at law, in equity, or otherwise, and Grantee shall remain responsible for full performance in strict compliance with the terms and conditions of this Agreement. By making any payments under this Agreement, the Office does not waive its ability to challenge any payment or reimbursement for either

failing to comply with this Agreement, the NOFA, and Applicable Laws. Grantee agrees that its acceptance of the last payment from the Office under this Agreement shall operate as a release of any and all claims related to this Agreement that Grantee may have or be capable of asserting against the Office or the State of Iowa.

4.6. *Return of Funds to Office.* In addition to and not to the exclusion of any other remedies available to the Office or the State of Iowa under this Agreement, at law, in equity, or otherwise:

4.6.1. Grantee must repay the Office and shall be liable to the Office for the applicable portion of any grant funds previously distributed by the Office to Grantee if the Office, in its sole discretion, determines that:

4.6.1.1. A prior payment, in whole or in part, was comprised of claimed expenditures that did not constitute Allowable Expenditures or were not otherwise reimbursable hereunder, was improperly or incorrectly allocated or was unreasonable, was not supported by sufficient and appropriate documentation, or was otherwise made in a manner inconsistent with or in violation of the terms, conditions, or requirements of this Agreement, the NOFA, and Applicable Laws;

4.6.1.2. A prior payment, in whole or in part, exceeds the thresholds or limitations set forth in Section 4.2 (Not-to-Exceed Total Payment); or

4.6.1.3. Any audit (whether state or federal) or other review, the Office or other State of Iowa governmental entity, or any United States governmental entity:

4.6.1.3.1. Takes exception to the Project(s) provided under this Agreement for which reimbursement has been paid, or to the manner in which any related funds have been disbursed or expended;

4.6.1.3.2. Concludes or orders that any funds are deferred or disallowed, or have been disbursed or expended in a manner not consistent with or in violation of Applicable Laws governing the Project or the expenditure of such funds; or

4.6.1.3.3. Concludes or determines that Grantee has been paid for any cost that is unallowable, unallocable, or unreasonable.

4.6.2. Grantee shall be obligated to repay the Office and shall be liable to the Office for the entire amount of any grant funds previously distributed by the Office to Grantee if the Office, in its sole discretion, determines that:

4.6.2.1. A prior payment, in whole or in part, was used in a manner that does not Facilitate Broadband as identified or described in the Core Application and forming the basis of the Project(s);

4.6.2.2. Any representation, warranty, certification, or other statement made by Grantee in the Application, this Agreement, or any documentation submitted to the Office in relation to the administration of this Agreement or the Program proves untrue or inaccurate in any material respect as of the date of the issuance or making thereof;

4.6.2.3. Grantee fails to materially complete the Project(s) as proposed in the Core Application or agreed to herein;

4.6.2.4. Grantee has violated or failed to comply with any Applicable Laws; or

4.6.2.5. Any of the circumstances identified in Section 4.6.1.3 occur.

If Grantee is obligated to repay/liable to the Office for any amounts under this Section, Grantee shall repay such amounts to the Office within fifteen (15) days of the Office's written request for repayment. The requirements of this Section shall apply to the Grantee and Grantee Contractors, and Grantee shall require and cause any Grantee Contractor used by Grantee in connection with this Agreement to agree to and be subject to and bound by such terms and provisions.

4.7. *Set-off Against Sums Owed by Grantee.* In the event Grantee owes the Office or any other governmental entity of the State of Iowa any sum under this Agreement, any other agreement, or pursuant to a judgment, or pursuant to any law, rule, or order, the Office or its designee may set off such sum against any sum invoiced or claim for payment made to the Office or any other governmental entity to the State of Iowa issued or made by Grantee. In addition, any amounts due the Office as damages may be deducted by the Office from any money or sum payable by the Office to Grantee pursuant to this Agreement or any other agreement between Grantee and the Office.

4.8. *Erroneous Payments and Credits.* Grantee shall promptly pay or refund to the Office the full amount of any overpayment, erroneous payment, or unallowable expense within ten (10) business days after either discovery by the Grantee or notification by the Office of the overpayment, erroneous payment, or unallowable expense. In the event Grantee fails to timely pay or refund any amounts due the Office under this Section 4.8 (Erroneous Payments and Credits), the Office will charge interest of one percent (1%) per month compounded on the outstanding balance each month after the date the payment or refund is due, or the maximum amount allowed by law, whichever is greater. The Office may, in its sole discretion, elect to have Grantee apply any amounts due to the Office under this Section

4.8 (Erroneous Payments and Credits) against any amounts payable by the Office under this Agreement or any other agreement between the Office and Grantee.

5. Default and Termination.

- 5.1. *Termination for Cause by the Office.* The Office may terminate this Agreement without penalty or legal liability upon written notice of Grantee's breach of any term, condition, requirement, or provision of this Agreement, if such breach is not cured within the time period specified in the Office's notice of breach or any subsequent notice or correspondence delivered by the Office to Grantee. Whether Grantee has sufficiently cured the breach shall be determined in the sole discretion of the Office. In addition, the Office may terminate this Agreement effective immediately without penalty or legal liability and without advance notice or opportunity to cure for any of the following reasons:
- 5.1.1. Grantee, directly or indirectly, furnished any statement, representation, warranty or certification in connection with this Agreement that is false, deceptive, or materially incorrect or incomplete;

 - 5.1.8.2. Seeking or suffering the appointment of a trustee, receiver, liquidator, custodian or other similar official of it or any substantial part of its assets;

- 5.2. *Remedies for Breach of Contract.* A breach of any term, condition, requirement, or provision of this Agreement on behalf of the Grantee may result in one or all of the following remedies:
- 5.2.1. Grantee will forfeit funds awarded pursuant to this Agreement;
 - 5.2.2. Grantee will be ineligible for future grant awards offered by or through the State;
 - 5.2.3. Grantee will be subject to other sanctions as provided by law, rule, or order.

 - 5.3.6.2. Concludes or orders that State or federal funds are deferred or disallowed, or have been disbursed or expended in a manner not consistent with or in violation of Applicable Laws governing the expenditure of such funds; or

- 5.4. *Limitation of Payment Obligations.* In the event of a termination of this Agreement for any reason (except for termination pursuant to Section 5.3 (Termination Due to Lack of Funds or Change in Law)), and subject to the terms and conditions of this Agreement, the Office shall, at most, pay only those amounts, if any, to Grantee for aspects of a Project the Office has verified as complete in accordance with the terms and conditions of this Agreement and for which the Office is otherwise obligated to pay pursuant to this Agreement; provided however, that the Office's obligation to pay Grantee such amounts shall be limited by, and subject to, legally available funds. Notwithstanding the foregoing, this Section in no way limits the rights or remedies available to the Office or the State of Iowa and shall not be construed to require the Office or the State of Iowa to pay any compensation or other amounts not otherwise due hereunder or any amounts otherwise withheld by the Office in accordance with the terms of this Agreement. - 10.12. *Cumulative Rights.* The various rights, powers, options, elections, and remedies of the Office and the State provided for in this Agreement shall be construed as cumulative and no one of them is exclusive of the others or exclusive of any rights, remedies or priorities available at law, in equity, or otherwise, and shall in no way affect or impair the right of the Office or the State of Iowa to pursue any other contractual, equitable, or legal remedy to which they may be entitled. The election by the Office or the State of Iowa of any one or more remedies shall not constitute a waiver of the right to pursue other available remedies.
- 10.13. *Choice of Law and Forum.* This Agreement shall be governed in all respects by, and construed in accordance with, the laws of the State of Iowa, without giving effect to the choice of law principles thereof. Any litigation or actions commenced, including but not limited to any proceeding for judicial review commenced pursuant to Iowa Code chapter 17A, in connection with this Agreement, including after expiration or termination of this Agreement, shall

be brought in Des Moines, Iowa, in Polk County District Court for the State of Iowa, if jurisdiction is proper. However, if jurisdiction is not proper in the Iowa District Court for Polk County, but is proper only in a United States District Court, the matter shall be commenced in the United States District Court for the Southern District of Iowa, Central Division. Grantee irrevocably: (i) consents and agrees that any legal or equitable action or proceeding arising under, in connection with, or arising out of this Agreement shall be brought and maintained exclusively in the aforesaid courts; (ii) submits to and accepts, with respect to any such action or proceeding, for it and in respect of its properties and assets regardless of the physical or legal situs thereof, generally and unconditionally, the jurisdiction of the aforesaid courts; and (iii) waives any objection to such jurisdiction based on forum non conveniens or otherwise. A copy of such unilateral modification will be provided to Grantee as an amendment to this Agreement.
- 10.17. *Severability.* If any provision of this Agreement is determined by a court of competent jurisdiction to be invalid or unenforceable, such determination shall not affect the validity or enforceability of any other part or provision of this Agreement.
- 10.18. *Headings or Captions and Terms.* The section headings or captions used in this Agreement are for identification purposes only and do not limit or construe the contents of the sections. Unless the context of this Agreement

Such document(s) so accepted, executed, or agreed to in conformity with such laws, rules, policies, standards, directives, or orders will be binding on the signing Party as if it were physically executed. Grantee acknowledges and agrees it will not contest the validity or enforceability of such document(s), including under any applicable statute of frauds, because said documents were accepted, signed, or transmitted in electronic form. Grantee further acknowledges and agrees that it will not contest the validity or enforceability of a signed scanned or facsimile copy of such document(s) on the basis that it lacks an original handwritten signature, or on the basis that the Parties were not signatories to the same counterpart.
- 10.20. *Attachments.* The Parties agree that if an addendum, attachment, rider, schedule, appendix, or exhibit is attached hereto by the Parties, or referred to herein, then the same shall be deemed incorporated herein by reference as if fully set forth herein. In addition, the NOFA and Grantee's Application, including the Project Worksheet, Funding Sources Form, Budget Plan, and, to the extent applicable, Outside TSA Infrastructure Worksheet, together with any clarifications, attachments, appendices, or amendments to the NOFA and Application are incorporated into this Agreement by this reference as if fully set forth herein; provided, however, that none of Grantee's exceptions, objections or proposed modifications as it relates to the NOFA or any terms associated therewith (collectively "Grantee Exceptions") shall be incorporated into this Agreement unless expressly set forth herein. The terms and conditions of the NOFA and any representations in Grantee's Application are made contractual obligations of Grantee, except that any Grantee Exceptions shall not be deemed to limit, modify or otherwise affect any of the contractual obligations of Grantee, the Office, or the State of Iowa hereunder, unless expressly stated herein. In the case of any conflict or inconsistency between the specific provisions of this document, the NOFA, or the Application, any conflict or inconsistency shall be resolved as follows: first, by giving preference to the specific provisions of this document, the Grant Agreement, and any schedules, exhibits or other attachments; second, by giving preference to the specific provisions of the NOFA; and third, by giving preference to the specific provisions of the Application, including the Project Worksheet, Funding Sources Form, Budget Plan, and, to the extent applicable, Outside TSA Infrastructure Worksheet, but excluding any Grantee Exceptions that are not expressly made a part of this Agreement. References to the Parties' obligations, which are contained in this document, are intended to change, modify, supplement or clarify the obligations as stated in the NOFA and Grantee's Application. Failure of the Parties to make reference to the terms of the NOFA or Application in this document shall not be construed as creating a conflict and will not relieve Grantee of the contractual obligations imposed by the terms of the NOFA and Grantee's Application. Terms offered or stated in Grantee's Application, which exceed the requirements of the NOFA, shall not be construed as creating an inconsistency or conflict with the NOFA or this document. Notwithstanding anything herein to the contrary, the Office shall have only those obligations that are expressly stated in this document, whereas the NOFA and/or Application shall not create any express or implied obligations of the Office.
- 10.21. *Material Breaches.* References in this Agreement to specific material breaches of this Agreement shall not be construed as implying that other breaches of this Agreement are not material.
- 10.22. *Taxes.* Grantee shall be responsible for paying any taxes (including sales taxes, excise taxes, use taxes, income taxes or property taxes) incurred by Grantee in the performance of this Agreement.
- 10.23. *Certification Regarding Sales and Use Tax.* By executing this Agreement, Grantee certifies it is either (1) registered with the Iowa Office of Revenue, collects, and remits Iowa sales and use taxes as required by Iowa Code chapter 423; or (2) not a "retailer" or a "retailer maintaining a place of business in this state" as those terms are defined in Iowa Code §§ 423.1(47) and (48).
- 10.24. *Tobacco Free Environment.* Grantee agrees that it will not allow smoking or tobacco use within any portion of any indoor facility it leases, rents, or owns, and over which it has the authority to establish policy. Grantee agrees that it shall comply with Iowa's Smokefree Air Act, contained at Iowa Code chapter 142D.

- 10.25. *Exclusivity.* This Agreement is not exclusive, and the Office or the State of Iowa may enter into other Agreements with third parties for the provision of similar services.
- 10.26. *Sovereign Immunity.* Notwithstanding anything in this Agreement to the contrary, neither the Office nor the State of Iowa waives any immunity defenses (including sovereign immunity, governmental immunity, immunity based on the Eleventh Amendment to the Constitution of the United States, or otherwise) or any other defenses available to either, by entering into this Agreement, and specifically retains and reserves all immunity defenses (including sovereign immunity, governmental immunity, immunity based on the Eleventh Amendment to the Constitution of the United States, or otherwise) and all other defenses available to either, under State and federal laws, rules, and regulations for any claim arising out of or related to this Agreement, whether in state or federal court or any other tribunal or forum.
- 10.27. *Attorney's Fees and Expenses.* In the event Grantee defaults on any of its obligations under this Agreement, Grantee shall pay to the Office all costs and expenses (including the reasonable value of time of the Attorney General's Office and the costs, expenses and attorney fees of other counsel retained by or on behalf of the State of Iowa) incurred by the Office or the State of Iowa in enforcing this Agreement or any of its rights and remedies with respect thereto.
- 10.28. *Conflicts of Interest.* Grantee represents, warrants, and covenants that no relationship exists or will exist during the term of the Agreement between Grantee, Grantee Contractors, or Grantee Personnel and the Office or the State of Iowa that is or may constitute a conflict of interest or the appearance of impropriety. To the extent applicable, the provisions of Iowa Code Chapter 68B shall apply to this Agreement, and Grantee, Grantee Contractors, and Grantee Personnel shall not engage in any conduct or permit any third party from engaging in any conduct that would violate that chapter.
- 10.29. *Brokering Certification.* Grantee certifies that no person representing the Office, nor any external entity or person, has been employed or retained to solicit and secure this Agreement upon an agreement or understanding for commission, percentage, brokerage, or contingency.
- 10.30. *Report Misuses of Funds.* Grantee must promptly refer to the Office any credible evidence that a principal, employee, agent, Grantee Contractor, Grantee Personnel, or other person has either: 1) submitted a false claim for grant funds as that term is use under any false claims act or other similar law, whether state or federal; or 2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct involving grant funds.
- 10.31. *Restrictions and certifications regarding non-disclosure agreements and related matters.* Grantee may not require any Grantee Contractor or Grantee Personnel to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to the Office or an investigative or law enforcement representative of a federal or state department or agency authorized to receive such information. Grantee represents that it neither requires nor has required internal confidentiality agreements or statements from Grantee Contractors or Grantee Personnel that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) such Grantee Contractors or Grantee Personnel from reporting waste, fraud, or abuse as described above.
- 10.32. *Certification Regarding Iowa Code Chapter 8F.* If Grantee is or becomes subject to Iowa Code chapter 8F during the term of this Agreement, including any extensions or renewals thereof, Grantee shall comply with the following:
- 10.32.1. Grantee shall certify that it has the information required by Iowa Code § 8F.3 available for inspection by the Agency and the Legislative Services Agency.
- 10.32.2. Grantee will provide the information described in this section to the Office or the Legislative Services Agency upon request. Grantee shall not impose a charge for making information available for inspection or providing information to the Office or the Legislative Services Agency.
- 10.32.3. Pursuant to Iowa Code § 8F.4, Grantee shall file an annual report with the Office and the Legislative Services Agency within ten (10) months following the end of Grantee's fiscal year (unless the exceptions provided in Iowa Code § 8F.4(1)(b) apply). The annual report shall contain:
- 10.32.3.1. Financial information relative to the expenditure of state and federal monies for the prior year pursuant to this Agreement. The financial information shall include but is not limited to budget and actual revenue and expenditure information for the year covered.
- 10.32.3.2. Financial information relating to all service contracts with the Office during the preceding year, including the costs by category to provide the contracted services.
- 10.32.3.3. Reportable conditions in internal control or material noncompliance with provisions of laws, rules, regulations, or contractual agreements included in external audit reports of Grantee covering the preceding year.
- 10.32.3.4. Corrective action taken or planned by Grantee in response to reportable conditions in internal control or material noncompliance with laws, rules, regulations, or contractual agreements included in external audit reports covering the preceding year.

- 10.32.3.5. Any changes in the information submitted in accordance with Iowa Code chapter 8F.
- 10.32.3.6. A certification signed by an officer and director, two directors, or the sole proprietor of Grantee, whichever is applicable, stating the annual report is accurate and the recipient entity is in full compliance with all laws, rules, regulations, and contractual agreements applicable to the recipient entity and the requirements of Iowa Code chapter 8F.
- 10.33. *Final Authority.* The Office shall have the final authority to interpret, construe, and apply the terms and conditions of this Agreement. Any decision of the Office related to the interpretation, construction, or application of any terms or conditions or resolution of any disputes under or related to this Agreement shall be final and binding on Grantee, subject to Iowa Admin. Code r. 129—22.6(5) and Iowa Code ch. 17A. Failure to pursue the administrative remedies available pursuant to Iowa Admin. Code r. 129—22.6(5) and thereafter Iowa Code ch. 17A shall render any order rendered by the Office pursuant to the processes set forth in that rule final and binding on the Parties, and shall be deemed a failure to exhaust administrative remedies. Outside of this process, Grantee waives any right, title, or interest it may have to bring a breach of contract claim or any other claim originating in district court or before any other tribunal, whether state or federal, in connection with or otherwise relating to this Agreement. In addition, Grantee waives any right or ability to claim that a final decision rendered pursuant to the above-described process is neither binding nor enforceable, and waives any right, claim, or ability to challenge the Office's authority to interpret, construe, or apply the terms and conditions set forth in this Agreement in the first instance, which interpretations, constructions, applications of law to fact, and underlying findings of fact shall be entitled to fullest and most expansive interpretative deference and deference applicable to findings of fact on judicial review as if the Office is fully vested with such authority; this provision shall not be understood, interpreted, or construed as an admission or concession by the Office that it has not otherwise been fully vested with such authority.
- 10.34. *Authorization.* Grantee represents and warrants that it has the right, power, and authority to enter into and perform its obligations under this Agreement and that it has taken all requisite action (corporate, statutory, or otherwise) to approve execution, delivery, and performance of this Agreement, and this Agreement constitutes a legal, valid, and binding obligation of Grantee, enforceable in accordance with its terms.
- 10.35. *Force Majeure.* Neither Party shall be in default under this Agreement if performance is prevented, delayed or made impossible to the extent that such prevention, delay, or impossibility is caused by a "force majeure." The term "force majeure" as used in this Agreement is an event that no human foresight could anticipate or which if anticipated, is incapable of being avoided. Circumstances must be abnormal and unforeseeable, so that the consequences could not have been avoided through the exercise of all due care, such as acts of God, war, civil disturbance and other similar catastrophic events or causes. The delay or impossibility of performance must be beyond the control and without the fault or negligence of the Parties. As it relates to Grantee or Grantee Contractors, "Force majeure" does not include: financial difficulties of Grantee or Grantee Contractors; claims or court orders that restrict Grantee's or Grantee Contractor's ability to perform or deliver the services contemplated by this Agreement; strikes; labor unrest; pandemics, epidemics or any other outbreak or event causing illness or disease or resulting in a state of emergency or disaster declared by either the State of Iowa or the United States of America; any impacts to any Grantee Contractor's, Grantee Personnel, or Grantee's supply chain caused in whole or in part by any pandemic, epidemic or outbreak, illness or disease. If delay results from a Grantee Contractor's conduct, negligence or failure to perform, Grantee shall not be excused from compliance with the duties and obligations of Grantee hereunder unless the Grantee Contractor is prevented from timely performance by a "force majeure" as defined in this Agreement. If a "force majeure" delays or prevents Grantee's performance, Grantee shall immediately use its best efforts to directly provide alternate, and to the extent possible, comparable performance. Comparability of performance and the possibility of comparable performance shall be determined solely by the Office. The Party seeking to exercise this provision and not perform or delay performance pursuant to a "force majeure" shall immediately notify the other Party of the occurrence and reason for the delay. The Parties shall make every effort to minimize the time of nonperformance and the scope of work not being performed due to the unforeseen events.
- 10.36. *Contingent Awards.* If, at the time an Award is made, the Office determines: (1) a particular Census Block forming the basis of a proposed Project is, in whole or in part, a Targeted Service Area subject to challenge, pursuant to procedures set forth in Iowa Administrative Code rule 129—20.5 or, (2) the Office's administration of the Award process resulting in the Award forming the basis of this Agreement is subject to challenge, pursuant to Iowa Administrative Code rule 22.5(4) and Section 7.24 (Appeal of Award Decision) of the NOFA, including any subsequent judicial review or appeal therefrom as outlined in Iowa Code §§ 17A.19 and 17A.20, may, contemporaneous with the challenge process, proceed to enter into this Agreement with Grantee. Notwithstanding the foregoing or any contrary provisions in this Agreement, the aspect(s) of the Office's Award(s) that is subject to such challenge at the time of the execution of this Agreement shall be valid and enforceable only to the extent the Office's original determination or Award, as applicable, is ultimately upheld at the end of the appeals and contested case process, including judicial review and any subsequent appeal therefrom. If a Census Block is ultimately determined to not constitute a Targeted Service Area, or a portion of an Award is later deemed invalid, in whole or in

part: the Grantee shall not be entitled to any grant funds or reimbursement to the extent of any such non-eligibility or invalidity; the Office may require the Grantee to amend the Agreement to reflect such result; and the Grantee will be required to reimburse the Office for corresponding funds previously distributed by the Office.

IN WITNESS WHEREOF, in consideration of the mutual covenants set forth above and for other good and valuable consideration, the receipt, adequacy and legal sufficiency of which are hereby acknowledged, the Parties have caused their respective duly authorized representatives to execute this Agreement, which is effective as of the date of last signature, below ("**Effective Date**").
