

## Broadband Map v5 Community and Provider Challenge Form

The Office of the Chief Information Officer ("OCIO" or "Office") recently published the Statewide Broadband Availability Map version 5 ("Map v5"). Map v5 is designed to facilitate decisions concerning future spending under federally-funded broadband programs. Because Map v5 does not use the tiered structure envisioned by Iowa Code chapter 8B and because future federally-funded grant opportunities made available by the Office in accordance with Map v5 will not conform to Iowa Code chapter 8B, the map challenge process envisioned under Iowa Code section 8B.10 does not apply. However, the Office is making available a challenge process to allow public input into whether the map accurately reflects broadband coverage as of the publication date of Map v5 (the "As Of" date of Map v5).

The Office utilizes maps and data sources made available by the Federal Communications Commission (FCC) and/or developed or produced by contractors or third parties retained or utilized by the Office. These maps and corresponding data sources represent the status of Broadband in Iowa on the As Of date as reported by Communication Service Providers in Iowa. Unlike prior broadband coverage maps, Map v5 identifies broadband coverage by individual locations, making Map v5 far more granular than prior maps that displayed eligibility at the census block level.

Challenges to Map v5 will be based on presence or reliability of service and/or speed. Challengers will be required to provide for every location challenged an address and corresponding IA Location ID, to the extent a Location ID is available on the map. Challenges without this information may not be evaluated.

Every location on Map v5 reflects a status of 'likely eligible' or 'likely ineligible.' This status is based solely on speed and technology type. The eligibility of any particular location is contingent on the requirements associated with the federal funding being used to fund future Notices of Funding Availability ("NOFAs"). Eligibility determinations are subject to change over time. In addition, eligibility designations in no way guarantee facilitation of service in the future through state- or federally-funded broadband builds.

On August 2, 2022, the Office posted the final version of Broadband Availability Map v5 and opened a 30-calendar-day challenge window wherein anyone aggrieved or adversely affected by mapping determinations may challenge the Office's final determination of whether service at a particular location is accurately reflected.

This form is for PROVIDERS and COMMUNITIES only. Resident challengers should fill out the form via the Map on the website.

You must check next to each row that you have read and understood the terms of the challenge process. Without this acknowledgment, the appeal will not be evaluated.

Use the tab titled "Challenge Form" to challenge any particular location. If you would like to report an address not presenting on the map, please use the tab titled "Location Not Present on Map." You can also use this tab to report when the location is not presenting at the correct area.

**Challenger acknowledges the following (click checkbox to acknowledge):**

<p>The information on the Map may be challenged for conditions existing as of August 2, 2022 (the "As Of" date). Challenges based on changes occurring to broadband service after the As Of date will not be considered.</p>		
<p>When submitting a challenge, evidence must be submitted for every location challenged in support of changing the likely eligible or likely ineligible status. Documentation that is speculative, generalized, or vague will not be sufficient. You may use the Sworn Statement/Survey template provided. Supporting documentation must be provided in one pdf. Reference to the page number of the supporting evidence within the pdf must be noted in Challenge Form. Challenged locations without a referenced page will not be evaluated.</p>		
<p>The Office reserves the right to reject challenges for a variety of reasons, including but not limited to:</p> <ul style="list-style-type: none"> <li>&gt;&gt; Challenges claiming buildout at a future date;</li> <li>&gt;&gt; Challenges received reflecting incomplete information, including lacking IA Location ID;</li> <li>&gt;&gt; Challenges to a provider's service that are submitted without supporting evidence;</li> <li>&gt;&gt; Multiple challenge forms submitted by a provider or a community;</li> <li>&gt;&gt; Challenges received after September 1, 2022;</li> <li>&gt;&gt; Challenges received without all checkboxes marked indicating acknowledgement of the terms.</li> </ul>		
<p>The Office will notify affected parties by posting to the website any notice of challenge received. Final agency decisions shall become final unless within 30 days of the posting of a final decision, a challenger or person or party aggrieved or adversely affected requests a contested case proceeding pursuant to Iowa Administrative Code chapter 129-6.</p>

## Attachment A - General Terms and Conditions

1. **Overview.** This Attachment A sets forth the general terms and conditions for the deployment and delivery of the Project(s) as more fully described in the CD&E and Grantee's Application. The "Grantee" and the "Office" for purposes of this Attachment A means the parties identified on the CD&E, each party also be referred to herein individually as a "**Party**" or collectively as the "**Parties**." References in this Attachment A to the "Agreement" mean the Grant Agreement Number identified on the CD&E.
2. **Definitions.** Unless otherwise specifically defined herein, capitalized terms used but not defined herein shall have the meanings ascribed to them in the NOFA. In addition to any other terms defined herein, the following terms shall be ascribed the following meanings:
  - 2.1. "**Applicable Law(s)**" means any and all applicable federal, state, foreign, and local laws, rules, regulations, codes, ordinances, policies, orders or any other legal requirements or limitations, and specifically including CSLFRF Requirements in place at execution of this Agreement, as well as any and all future amendments, changes, or additions to such laws as of the effective date of such change. This statement notwithstanding, the U.S. Treasury's Final Rule concerning the Coronavirus State and Local Fiscal Recovery Funds, which is effective April 1, 2022, is only included in the defined term Applicable Law to the extent that federal law compels the parties to comply with the Final Rule in relation to this Grant Agreement.
  - 2.2. "**Grantee Contractor(s)**" means any of Grantee's authorized subcontractors, affiliates, subsidiaries, subgrantees, subrecipients, or any other third party acting on behalf of or at the direction of Grantee, directly or indirectly, in performing or providing the Project(s) under this Agreement.
  - 2.3. "**Grantee Personnel**" means employees, agents, independent contractors, or any other staff or personnel acting on behalf of or at the direction of Grantee or any Grantee Contractor performing or providing the Project(s) under this Agreement.
3. **Project Scope.**
  - 3.1. *Federal Funds Obligations and Expenditures.* Notwithstanding any expenditure timelines set forth in the NOFA, Grantee must obligate all awarded funds no earlier than March 3, 2021, and no later than December 31, 2024. In this context, an *obligation* "means an order placed for property and services and entering into contracts, subawards, and similar transactions that require payment." 31 C.F.R. § 35.3 (definition of "obligation"). Projects do not need to be completed by December 31, 2024. Rather, all Project costs must be obligated by December 31, 2024, in accordance with federal law. Costs that are timely obligated may then be paid through September 31, 2026.
  - 3.2. *Project Completion.* In addition, Grantee must fully finish its Project by the Estimated Project Completion Date set forth in the CD&E. In no case may the Estimated Project Completion Date, inclusive of any agreed extensions thereof, extend beyond September 31, 2026. Grantee's Project must be deployed and implemented in a manner that complies with all applicable terms, conditions, requirements, and limitations set forth in this Agreement, the NOFA, and as proposed/represented in the Application. Except in the case of any prepayments contemplated by the NOFA ("**Authorized Prepayment(s)**"), prior to being reimbursed for any Allowable Expenditures, Grantee's Project(s) must be "complete" as that term is more fully defined and described herein. Notwithstanding any contrary provision in the NOFA, upon request and in accordance with the actual immediate cash requirements for implementation of the project, the Office reserves the right to authorize prepayments at any point prior to completion of the Project(s) in an amount determined in the sole discretion of the Office.
  - 3.3. *Project Area.* In the event that any census block(s) awarded to Grantee through this Grant Agreement are subdivided by telephone exchange boundaries, and such blocks were awarded to more than one grantee under this NOFA, Grantee shall respect the geographic boundaries of the telephone exchange(s) and are prohibited from overbuilding into the other entity or entities' awarded exchange boundary.
  - 3.4. *Certification.* Subject to the confirmation and verification of the Office, and in accordance with Section 3.5 (Proof of Project Completion), Grantee must certify to the Office that the Project was completed as proposed/represented in the Application, including but not limited to a certification representing that:
    - 3.4.1. The final installation Facilitates Broadband service that reliably meets or exceeds 100/100 Broadband; or,
    - 3.4.2. In cases where 100/100 Broadband was not practicable because of the geography or topography of the area to be served by the Project, or because of the excessive cost of the Project, provide certification that the Project reliably meets or exceeds 100/20 Broadband, including such justifications upon which Grantee relied to determine 100/100 Broadband was not feasible, and provide certification that the Project will be scalable to 100/100 Broadband within three years of the Estimated Project Completion Date.
    - 3.4.3. The Project fully complies with and satisfies any and all terms and conditions identified in this Agreement, the NOFA, and all applicable federal, state, foreign, and local laws, rules, regulations, codes, ordinances, policies, orders or any other legal requirements or limitations, including CSLFRF Requirements, all of which may be updated, amended, modified, or added to from time to time and all of which are incorporated herein by reference as of the date of any such change in the law (collectively "**Applicable Laws**").
  - 3.5. *Proof of Project Completion.*

- 3.5.1. **Obligation to Provide Proof.** In order to certify project completion and receive final disbursement of funds, Grantee must provide the Office with approved documentation, or proof, that is substantively accurate and complete as set forth in the section entitled “Acceptable Substance of Proof” below, and in an acceptable data format as set forth in the section entitled “Acceptable Format of Proof.” Notwithstanding the foregoing, the Office reserves the right to determine, in its sole discretion, the completeness and sufficiency of proof provided to the Office by Grantee pursuant to this section. Grantee acknowledges that its failure to satisfy its obligation to provide proof as required in this section may delay or prohibit certification of project completion and disbursement of funds.
- 3.5.2. **Acceptable Substance of Proof.** In order to be considered substantively complete, proof of project completion submitted to the Office must at a minimum demonstrate with specificity where Broadband installation has occurred consistent with Grantee’s Application. Such proof must include:
- 3.5.2.1. Any and all information required to be provided to the federal government pursuant to the CSLFRF Compliance and Reporting Guidance, available at: <https://home.treasury.gov/policy-issues/coronavirus/assistance-for-state-local-and-tribal-governments/state-and-local-fiscal-recovery-funds/recipient-compliance-and-reporting-responsibilities>, including but not limited to Expenditure Categories 5.16-5.17 applicable to broadband infrastructure, and
- 3.5.2.2. Information sufficient to enable the Office to determine which specific Broadband Units (homes, schools, businesses) within each Eligible Service Area(s) forming the basis of the Project have access to 100/100 Broadband or 100/20 Broadband, as applicable, as a result of the Project, and,
- 3.5.2.3. As-built infrastructure drawings or schematics for which Grant funds have been utilized, regardless of whether such installation actually serves any Broadband Units in the Eligible Service Area(s) forming the basis of the Project at the time such proof is supplied to the Office; and/or,
- 3.5.2.4. Tower locations and propagation map(s) or model(s); and/or,
- 3.5.2.5. Address or locations of service locations.
- 3.5.3. **Acceptable Format of Proof.** Grantee shall provide proof of project completion to the Office as set forth in this section.
- 3.5.3.1. All files submitted must include a description of contents of each file including:
- 3.5.3.1.1. A description of the file contents (e.g., ESRI shapefile includes as-built fiber and drops); and,
- 3.5.3.1.2. A description of the file legend that identifies features clearly (wirelined, fiber, customer, etc), or if the legend includes a number, a table providing the feature type represented by that number (e.g., KML file legend classes are 0 = fiber line, 1 = customer, 4 = exchange boundary).
- 3.5.3.2. Service locations or service locations servable within a commercially reasonable time in one of the following formats:
- 3.5.3.2.1. Spreadsheet including house number, street address, city, state and zip code;
- 3.5.3.2.2. Locations in geospatial data format (ESRI Shapefile, Google Earth KML/KML or other format previously agreed upon).
- 3.5.3.3. Wireline Infrastructure as-built information including fiber lines, cable or other; OSP and other relevant information in one of the following formats:

- 10.8. *Use of Third Parties.* Subject to Applicable Laws, Grantee may enter into contracts or subcontracts for the provision or delivery of services related to the Project(s). The Grantee may enter into these contracts to complete the project provided that the Grantee remains responsible for all deliverables provided under this Agreement. All restrictions, obligations, and responsibilities of the Grantee under this Agreement shall also apply to the subcontractors and the Grantee shall include in all of its subcontracts a clause that so states. The Office shall have the right to request the removal of a subcontractor from the Agreement for good cause.

- 10.13. *Cumulative Rights.* The various rights, powers, options, elections, and remedies of the Office and the State provided for in this Agreement shall be construed as cumulative and no one of them is exclusive of the others or exclusive of any rights, remedies or priorities available at law, in equity, or otherwise, and shall in no way affect or impair the right of the Office or the State of Iowa to pursue any other contractual, equitable, or legal remedy to which they may be entitled. Accordingly, this Agreement shall not be construed or interpreted against the Office or the State of Iowa on the basis of draftsmanship or preparation thereof.
- 10.17. *Amendments.* This Agreement may be amended, modified, or replaced from time to time by mutual consent of the Office and Grantee. Both Parties must execute all amendments to this Agreement in writing.
- 10.18. *Severability.* If any provision of this Agreement is determined by a court of competent jurisdiction to be invalid or unenforceable, such determination shall not affect the validity or enforceability of any other part or provision of this Agreement.
- 10.19. *Headings and Captions.* The section headings or captions used in this Agreement are for identification purposes only and are non-substantive.
- 10.20. *Multiple Counterparts and Electronic Signatures.* This Agreement, any amendments hereto, or any related instruments, attachments, exhibits, or addenda executed separately in connection with this Agreement may be executed in several counterparts, all of which when taken together shall constitute one contract binding on all Parties. Grantee agrees that it shall comply with Iowa's Smokefree Air Act, contained at Iowa Code chapter 142D.
- 10.25. *Exclusivity.* This Agreement is not exclusive, and the Office or the State of Iowa may enter into other Agreements with third parties for the provision of similar services.
- 10.26. *Sovereign Immunity.* Notwithstanding anything in this Agreement to the contrary, neither the Office nor the State of Iowa waives any immunity defenses (including sovereign immunity, governmental immunity, immunity based on the Eleventh Amendment to the Constitution of the United States, or otherwise) or any other defenses available to either by entering into this Agreement, and specifically retains and reserves all immunity defenses.
- 10.27. *Attorney's Fees and Expenses.* In the event Grantee defaults on any of its obligations under this Agreement, Grantee shall pay to the Office all costs and expenses (including the reasonable value of time of the Attorney General's Office

To the extent applicable, the provisions of Iowa Code Chapter 68B shall apply to this Agreement, and Grantee, Grantee Contractors, and Grantee Personnel shall not engage in any conduct or permit any third party from engaging in any conduct that would violate that chapter.
- 10.29. *Brokering Certification.* Grantee certifies that no person representing the Office, nor any external entity or person, has been employed or retained to solicit and secure this Agreement upon an agreement or understanding for commission, percentage, brokerage, or contingency.
- 10.30. *Report Misuses of Funds.* Grantee must promptly refer to the Office any credible evidence that a principal, employee, agent, contractor, subgrantee or subrecipient, subcontractor, or other person has either: 1) submitted a false claim for grant funds as that term is used under any false claims act or other similar law, whether state or federal; or 2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct involving grant funds. This condition also applies to any Grantee Contractor for the Project(s) hereunder.
- 10.31. *Restrictions and certifications regarding non-disclosure agreements and related matters.* Grantee may not require any Grantee Contractor or Grantee Personnel to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to the Office or an investigative or law enforcement representative of a federal or state department or agency authorized to receive such information. Grantee represents that it neither requires nor has required internal confidentiality agreements or statements from Grantee Contractors or Grantee Personnel that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) such Grantee Contractors or Grantee Personnel from reporting waste, fraud, or abuse as described above.
- 10.32. *Certification Regarding Iowa Code Chapter 8F.* If Grantee is or becomes subject to Iowa Code chapter 8F during the entire term of this Agreement, including any extensions or renewals thereof, Grantee shall comply with the following:
- 10.32.1. Grantee shall certify that it has the information required by Iowa Code § 8F.3 available for inspection by the Agency and the Legislative Services Agency.
- 10.32.2. Grantee will provide the information described in this section to the Office or the Legislative Services Agency upon request. Grantee shall not impose a charge for making information available for inspection or providing information to the Office or the Legislative Services Agency.
- 10.32.3. Pursuant to Iowa Code § 8F.4, Grantee shall file an annual report with the Office and the Legislative Services Agency within ten (10) months following the end of Grantee's fiscal year (unless the exceptions provided in Iowa Code § 8F.4(1)(b) apply). The annual report shall contain:

- 10.32.3.4. Corrective action taken or planned by Grantee in response to reportable conditions in internal control or material noncompliance with laws, rules, regulations, or contractual agreements included in external audit reports covering the preceding year.
- 10.32.3.5. Any changes in the information submitted in accordance with Iowa Code § 8F.
- 10.32.3.6. A certification signed by an officer and director, two directors, or the sole proprietor of Grantee, whichever is applicable, stating the annual report is accurate and the recipient entity is in full compliance with all laws, rules, regulations, and contractual agreements applicable to the recipient entity and the requirements of Iowa Code chapter 8F.
- 10.32.4. This Section shall apply to Grantee and Grantee Contractors. Grantee shall require and cause any Grantee Contractor or subgrantee or subrecipient used by Grantee in the performance of the Agreement to certify, agree to, and be subject to and bound by each of the following certifications.
- 10.33. *Authorization.* Grantee represents and warrants that it has the right, power, and authority to enter into and perform its obligations under this Agreement and that it has taken all requisite action (corporate, statutory, or otherwise) to approve execution, delivery, and performance of this Agreement, and this Agreement constitutes a legal, valid, and binding obligation of Grantee, enforceable in accordance with its terms.
- 10.34. *Force Majeure.* Neither Party shall be in default under this Agreement if performance is prevented, delayed or made impossible to the extent that such prevention, delay, or impossibility is caused by a "force majeure." The term "force majeure" as used in this Agreement includes an event that no human foresight could anticipate or which if anticipated, is incapable of being avoided. Circumstances must be abnormal and unforeseeable, so that the consequences could

not have been avoided through the exercise of all due care, such as acts of God, war, civil disturbance and other similar catastrophic events or causes. The delay or impossibility of performance must be beyond the control and without the fault or negligence of the Parties. "Force majeure" does not include: financial difficulties of Grantee or Grantee Contractors; claims or court orders that restrict Grantee's or Grantee Contractor's ability to perform or deliver the services contemplated by this Agreement; strikes; labor unrest; Covid-19, pandemics, epidemics or any other outbreak or event causing illness or disease or resulting in a state of emergency or disaster declared by either the State of Iowa or the United States of America; any impacts to any Grantee Contractor's, Grantee Personnel, or Grantee's supply chain caused in whole or in part by any pandemic, epidemic or outbreak, illness or disease. If delay results from a Grantee Contractor's conduct, negligence or failure to perform, Grantee shall not be excused from compliance with the duties and obligations of Grantee hereunder unless the Grantee Contractor is prevented from timely performance by a "force majeure" as defined in this Agreement. If a "force majeure" delays or prevents Grantee's performance, Grantee shall immediately use its best efforts to directly provide alternate, and to the extent possible, comparable performance. Comparability of performance and the possibility of comparable performance shall be determined solely by the Office. The Party seeking to exercise this provision and not perform or delay performance pursuant to a "force majeure" shall immediately notify the other Party of the occurrence and reason for the delay. The Parties shall make every effort to minimize the time of nonperformance and the scope of work not being performed due to the unforeseen events.

- 10.35. *Contingent Awards.* If at the time an Award is made the Office's determination of whether any geographic area forming the basis of a proposed Project(s), in whole or in part, or any Project(s) itself, in whole or in part, is eligible to receive funding under the Program is currently subject to challenge, or the Office's administration of the Award process resulting in the Award forming the basis of this Agreement is subject to challenge, including any subsequent judicial review or appeal from any administrative challenge process, the Office may proceed to enter into this Agreement the Grantee. Notwithstanding the foregoing or anything in this Agreement to the contrary, the aspect(s) of the Office's Award(s) that is subject to such challenge at the time of the execution of this Agreement shall be valid and enforceable only to the extent the Office's original determination or Award, as applicable, is ultimately upheld at the end of the entire appeals and contested case process once final, including judicial review and any subsequent appeal therefrom. If a geographic area or a Project(s) itself is ultimately determined to not be eligible, in whole or in part, or a portion of an Award is later deemed invalid, in whole or in part: the Grantee shall not be entitled to any grant funds or reimbursement to the extent of any such noneligibility or invalidity; the Office may require the Grantee to amend the Agreement to reflect such result; and the Grantee will be required to reimburse the Office for any corresponding funds previously distributed by the Office, including as it relates to any advance payments or prepayments.

4. **Internal Controls and Single Audit Act, SubPart F.** Funds allocated in connection with the Agreement are considered to be federal financial assistance subject to the Single Audit Act (31 U.S.C. §§ 7501-7507) and the related provisions of the Uniform Guidance, 2 C.F.R. § 200.303 regarding internal controls, §§ 200.330 through 200.332.   - 4.1. ARP Act funds distributed hereunder count toward the \$750,000 or more threshold applicable to federal awards spent during the fiscal year, which triggers 2 C.F.R. part 200, subpart F regarding audit requirements for nonprofits or governmental entities. Nonprofit and local government subrecipients that expend \$750,000 or more in a year in federal awards (from all sources) shall have a single audit conducted for that year in accordance with the provisions of the OMNI Circular, OMB Uniform Guidance: Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards at 2 C.F.R. 200. See the OMNI Circular, Section 200.330, Subrecipient and Contractor Determinations for a discussion of subrecipient versus contractor (vendor) relationships.

- 4.2. These audit requirements do not generally apply to for-profit business; however, the Office remains responsible for ensuring compliance with the Agreement and ARP Act requirements through the implementation of audit and monitoring controls pursuant to 2 C.F.R. 200.501(h). These requirements are addressed in the Project certification, monitoring, review, status, and recoupment provisions in Sections 3 (Project Completion), 4 (Payment Timing and Procedures), 10.1 (Monitoring, Review, and Status), and 10.2 (Records Retention and Access).

The requirements of this Section shall apply to Grantee and Grantee Contractors. Grantee shall require and cause any Grantee Contractor or subgrantee or subrecipient used by Grantee in connection with this Agreement to agree to and be subject to and bound by such terms and provisions.

5. **Cost Principles.** To the extent applicable, in addition to any other terms, conditions, restrictions, or limitations applicable to Allowable Expenditures or reimbursable expenses or costs under the Agreement, the costs or expenses charged, paid, or reimbursed under the Agreement shall be determined as allowable under the cost principles detailed in 2 CFR 200 Subpart E – Cost Principles. To the extent that indirect costs qualify as Allowable Expenditures under the Agreement and Grantee does not have an indirect cost rate, the de minimis rate shall apply.
6. **Restriction on Leveraging Funding.** No portion of the funds received under the Agreement may be used for the purpose of obtaining additional federal funds under any other law of the United States, except if authorized under that law.
7. **Federal Award Management System.** Unique entity identifier and System for Award Management (SAM)—Required. Grantees must normally (i) Be registered in SAM before submitting an application; (ii) provide a valid unique entity identifier in its application; and (iii) continue to maintain an active SAM registration with current information at all times during which it has an active federal award or an application or plan under consideration by a federal awarding agency. Proof of SAM registration and corresponding account information must be provided by Grantee before any payments will be made under the Agreement.
8. **Recovery of Funds.** If a State or federal audit takes exception to the Project(s) provided under the Agreement for which federal funds have been paid or reimbursed, or if federal funds are deferred and/or disallowed as a result of any audits (or expended in violation of the laws applicable to the expenditure of such funds, including ARP Act Requirements), Grantee will be liable to the Office and the State or Iowa (or any other applicable governmental entity, including the United States Department of Treasury) for the full amount of any such payment, reimbursement, or any claim disallowed (or the amount of funds expended in violation of applicable laws or requirements) and for all related penalties incurred. If the Office or any federal governmental entity concludes that Grantee has been paid for any cost that is unallowable, unallocable, or unreasonable under the Agreement, Grantee will be liable to the Office and the State of Iowa (or any other applicable governmental entity, including the United States Department of Treasury) for such cost. Grantee shall pay to the Office or State of Iowa (or any other applicable governmental entity, including the United States Department of Treasury) all amounts for which the Grantee is liable under this section within ten (10) business days of receiving a written demand or written notice. The Office may withhold any payment under the Agreement if Grantee fails to timely make any payment required by this Section. The requirements of this Section shall apply to Grantee and Grantee Contractors. Grantee shall require and cause any Grantee Contractor or subgrantee or subrecipient used by Grantee in connection with the Agreement to agree to and be subject to and bound by such terms and provisions.
9. **Required Certifications.** Each of the following required certifications set forth below is a material representation of fact upon which reliance is placed by the Office prior to distributing federal funds. In addition to any criminal penalties authorized by Iowa Code section 720.2 that may result from any false statements of material fact made herein or any other remedies available at law, equity, or otherwise, a Grantee that is subsequently determined to have made a statement, representation, warranty, certification, or attestation herein that is later proven untrue in any material respect shall be obligated to repay the Office the entire amount of any grant funds previously distributed by the Office to Grantee under the Agreement. By signing the Agreement, Grantee's authorized representative who must be expressly authorized to make the below certifications on behalf of Grantee, under penalty of perjury as authorized by Iowa Code section 622.1 and pursuant to the laws of the State of Iowa, certifies and attests to Grantee's compliance with the following. The following certifications shall apply to Grantee and Grantee Contractors. Grantee shall require and cause any Grantee Contractor or subgrantee or subrecipient used by Grantee in the performance of the Agreement to certify, agree to, and be subject to and bound by each of the following certifications. Grantee may be required to provide any information identified or required in connection with the below certifications as a precondition to receiving funds under the Agreement.

In accordance with these Applicable Laws, Grantee certifies that it does currently and will continue to provide a drug-free workplace, including by minimally:

Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant.

These regulations require certification by Grantees (and Grantee Contractors) that they have not engaged in prohibited lobbying activities and/or have filed any required disclosures in accordance with these Applicable Laws. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code; any person who fails to file the required certification may be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure. In accordance with these Applicable Laws, Grantee certifies the following:
  - 9.2.1. No federal funds have been paid or will be paid, by or on behalf of Grantee, to any person for influencing or attempting to influence an officer or employee of the Office, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, or the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.

A contract award must not be made to parties listed on the government-wide exclusions in SAM, in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 C.F.R. part 1986 Comp., p. 189) and 12689 (3 C.F.R. part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.
- 9.4. *Certification Regarding Environmental Tobacco Smoke.* This certification is required by Public Law 103-227, also known as the Pro-Children Act of 1994 ("Pro-Children Act"). The Pro-Children Act requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used

routinely or regularly for the provision of health, day care, early childhood development services, education or library services to children under the age of 18, if the services are funded by federal programs either directly or through state or local governments, by federal grant, contract, loan, or loan guarantee. The Pro-Children Act also applies to children's services that are provided in indoor facilities that are constructed, operated, or maintained with such federal funds. The Pro-Children Act does not apply to children's services provided in private residences; portions of facilities used for inpatient drug or alcohol treatment; service providers whose sole source of applicable federal funds is Medicare or Medicaid; or facilities where WIC coupons are redeemed. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to \$1,000 for each violation and/or the imposition of an administrative compliance order on the responsible entity. In accordance with these Applicable Laws, Grantee certifies and agrees to the following with respect to it and its principles, as applicable. Grantee certifies that it will comply with the requirements of the Pro-Children Act and will not allow smoking within any portion of any indoor facility used for the provision of services for children as defined by the Pro-Children Act.

9.5. *Assurance of Compliance Nondiscrimination in Federally Assisted Programs & Equal Opportunity.* This certification requires Grantee to comply with any applicable federal nondiscrimination requirements or laws providing for or requiring equal opportunity in employment. Except as otherwise provided under 41 C.F.R. part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 C.F.R. part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 C.F.R. part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 C.F.R. part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor." To the extent required by these Applicable Laws, Grantee certifies during the performance of this Agreement that:

- 9.5.1. The Grantee will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Grantee will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Grantee agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
- 9.5.2. The Grantee will, in all solicitations or advertisements for employees placed by or on behalf of the Grantee, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
- 9.5.3. The Grantee will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Grantee's legal duty to furnish information.
- 9.5.4. The Grantee will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Grantee's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- 9.5.5. The Grantee will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
- 9.5.6. The Grantee will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- 9.5.7. In the event of the Grantee's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the Grantee may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

- 9.5.8. The Grantee will include the portion of the sentence immediately preceding paragraph 9.5.1 and the provisions of paragraphs 9.5.1 through 9.5.8 in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Grantee will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: *Provided*, however, that in the event a Grantee becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the Grantee may request the United States to enter into such litigation to protect the interests of the United States.
- 9.5.9. The Grantee further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: *Provided* that if the Grantee so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.
- 9.5.10. The Grantee agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of grantees and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.
- 9.5.11. The Grantee further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the Grantee agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.
- 9.6. *Americans with Disabilities Act.* Grantee certifies that it shall comply with Subtitle A, title II of the Americans with Disabilities Act (ADA), 42 U.S.C. §§ 12131-12134, and Department of Justice implementing regulation, 28 C.F.R. part 35.
- 9.7. *Equal Treatment for Faith Based Organizations.* Grantee shall comply with any applicable requirements of 28 C.F.R. part 38, governing "Equal Treatment for Faith Based Organizations." The Equal Treatment Regulation provides in part that grant awards may not be used to fund any inherently religious activities, such as worship, religious instruction, or proselytization. Grant recipients, including contractors may still engage in inherently religious activities, but such activities must be separate in time or place from the grant funded program, and participation in such activities by individuals receiving services from the Grantee or a subgrantee must be voluntary. The Equal Treatment Regulation also makes clear that organizations participating in programs funded through grant funding are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion. Notwithstanding the foregoing, faith-based organizations may, in some circumstances, consider religion as a basis for employment. See [http://www.ojp.gov/about/ocr/equal\\_fbo.htm](http://www.ojp.gov/about/ocr/equal_fbo.htm).
- 9.8. *Immigration and Naturalization Service.* Grantee certifies that it keeps on file, as appropriate, Immigration and Naturalization Service Employment Eligibility Verification Form (I-9) forms for applicable Grantee Personnel. This form is to be used by recipients of federal funds to verify that persons are eligible to work in the United States.
- 9.9. *Contract Work Hours and Safety Standards Act (40 U.S.C. § 3701-3708).* Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. §§ 3702 and 3704, as supplemented by Department of Labor regulations (29 C.F.R. part 5). To the extent applicable, Grantee must compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. § 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.
- 9.10. *Clean Air Act (42 U.S.C. §§ 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. §§ 1251-1387), as amended.* Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that

requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. §§ 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. §§ 1251-1387). Grantee agrees to comply with these Applicable Laws, violations of which must be reported to the Office and federal awarding agency and the regional office of the Environmental Protection Agency (EPA).

- 9.11. *Federal Funding Accountability and Transparency Compliance.* This certification is required by the Federal Funding Accountability and Transparency Act (“FFATA”). FFATA requires recipients of individual federal grants equal to or greater than \$25,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of \$25,000 or more. In accordance with 2 C.F.R. part 170 (Reporting Subaward and Executive Compensation Information), the Office must report the following information for any grant award subject to the FFATA reporting requirements:

- 9.11.1. Name of entity;
- 9.11.2. Amount of award;
- 9.11.3. Funding agency;

- 9.11.7. Location of the entity;
- 9.11.8. Principal place of performance;
- 9.11.9. Unique identifier of the entity (DUNS #);

- 9.11.11. Grantees must submit FFATA required data by the end of the month, plus 30 days, in which the award or any subsequent award amendment is made.
- 9.11.12. Grantee certifies the following:
  - 9.11.12.1. Grantee agrees to comply with the provisions of FFATA;
  - 9.11.12.2. Grantee agrees to provide needed information as outlined above to the Office within the timelines identified above, or upon request by the Office, as is necessary to facilitate the Office’s compliance with FFATA.

- 9.12. *Davis-Bacon Act/Copeland Act.* When required by Federal program legislation,<sup>1</sup> all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. §§ 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 C.F.R. part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors/grantees must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors/grantees must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract/grant or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

In identifying Prospective Product Attributes, Applicants must identify the Prospective Broadband Attributes associated with the product offering selected (100/100 or 100/20) that will be made available within the census blocks forming the basis of their Project and that will be made available within a commercially reasonable time and at a commercially reasonable price within the Project area upon request by a consumer as a result of the Project. Refer to NOFA #007 Section 3.1.6 for more information on Prospective Product Attributes.
