city of Walker. The "rural" plan is to deploy fiber and so in the remainder of Walker. So this "city" challenge ha and ALSO along the 2022 route project path. These Walker Route challenge for sake of clarity. The sp including the city clerk, and we have emails showing the challenge process if needed. These speed tests m are not happy and in dire need of faster speeds becau	ing much needed fiber speeds to rural lowa. This city project will deploy fiber throughout the erve only those HSBs directly along the route in 2022, and subsequently in 2023 deploy fiber is census blocks that will be challenged for this project as HSBs that are in the city of Walker tensus blocks are indicated in Column F of the Appeal tab on both the City challenge and the eeds indicated on the map are vastly overstated via conversations with Walker residents speed test results that will be included with our grant application. These can be provided for eport various speeds of 20 Mbps - 30 Mbps while paying for 100/100 speed packages. They use they're not getting the speeds indicated by the v4 map. We believe all census blocks are currently vastly overstated for speeds.
