Vendor agrees that it will perform all transition services in good faith and in a professional and businesslike manner and shall comply with all reasonable requests of the Governmental Entity or any New Contractor to assist in the effort to accomplish a successful, seamless, and unhindered transition and transfer of Vendor's responsibilities under this Agreement or applicable Purchasing Instrument(s). During the Transition Period, and solely to the extent there are legally available funds to do so, the Governmental Entity agrees to pay Vendor any fees to which Vendor would be entitled under this Agreement for Services and Deliverables,

performed or provided during such period; provided this Agreement was not terminated pursuant to Section 9.1 (Termination for Cause by the Governmental Entity) and Vendor continues to be in full compliance with all terms and conditions of this Agreement during the Transition Period.  - 10.1.7.2. Pursuant to any applicable laws, rules, or regulations;
 - 10.1.7.3. If the Governmental Entity reasonably determines such information is not a confidential record pursuant to Iowa Code Section 22.7 or other applicable laws, rules, and regulations; or
 - 10.1.7.4. If the Governmental Entity, in the Governmental Entity's sole discretion, determines Vendor has not provided or is unwilling to provide facts sufficient to enable the Governmental Entity to make a determination as to whether such information constitutes a confidential record under Iowa Code Section 22.7 or other applicable laws, rule, and regulations.

Prior to disclosing any of Vendor's Confidential Information as permitted above, the Governmental Entity shall provide reasonable notice to Vendor of the circumstances giving rise to such disclosure. In addition, Vendor will, upon the Governmental Entity's request, take all actions requested by the Governmental Entity to assist it in complying with any federal, state, or local record retention requirements, policies, procedures, or other similar requirements.

- 10.3. Non-Exclusive Equitable Remedy. Each Party acknowledges and agrees that due to the unique nature of Confidential Information, there can be no adequate remedy at law for any breach of its obligations hereunder, that any such breach or threatened breach may allow a Party or Third Parties to unfairly compete with the other Party resulting in irreparable harm to such Party, and therefore, that upon any such breach or any threat thereof, each Party will be entitled to appropriate equitable remedies, and may seek injunctive relief from a court of competent jurisdiction without the necessity of proving actual loss, in addition to whatever remedies either of them might have at law or equity. Any breach of this Section 10 (Confidentiality) will constitute a material breach of this Agreement and be grounds for immediate termination of any applicable Purchasing Instrument, or in the Governmental Entity's case the Agreement, in the exclusive discretion of the non-breaching Party.
- 10.4. Survives Termination. Vendor's duties, obligations, and liabilities as set forth in this Section 10 (Confidentiality) shall survive termination of this Agreement and shall apply to all acts or omissions taken or made in connection with Vendor's, Vendor Contractor's, or Vendor Personnel's performance of this Agreement regardless of the date any potential claim or breach is made or discovered by the Governmental Entity or its Authorized Contractors.

11.2.1.1.1. If the criminal history check reveals a conviction, Vendor shall work with the Governmental Entity to review the conviction and any additional information provided by the applicant. The existence of a conviction does not automatically disqualify an applicant or employee from performance on this performance or provision of Services or Deliverables under this Agreement. Decisions regarding assignment to this Agreement will be determined on a case-by-case basis and consideration will include but not be limited to:

11.2.1.1.1.1. The nature of the conviction.

Such background checks may include a work history, financial review, request for criminal history data, or local or state criminal history check, national criminal history check through the Federal Bureau of Investigation (“**FBI**”), or other background check requirement imposed or permitted by law, rule, regulation, order, or policy. Vendor Personnel may be required to authorize the release of the results of criminal history checks, including those through the FBI, to one or more other Governmental Entities. The Replacement Request shall be in writing and upon receipt of the request, Vendor shall make reasonable efforts to furnish a qualified and acceptable replacement within fifteen (15) business days. If the Governmental Entity, in its sole discretion, determines Vendor Personnel pose a potential security risk and notifies Vendor of such security risk in its Replacement Request, Vendor shall immediately remove such individual; any replacement furnished by Vendor in connection with such a request may not perform or provide Services or Deliverables to the Governmental Entity unless and until the Governmental Entity gives its consent to Vendor’s use of such replacement.

 - 11.2.4. *Separation of Job Duties.* Vendor shall diligently monitor and enforce separation of job duties, require all Vendor Contractors and Vendor Personnel to execute non-disclosure agreements, and limit access to and knowledge of Customer Property and Customer Data to those Vendor Personnel to which such access and knowledge is absolutely necessary to provide Services and Deliverables hereunder.
 - 11.2.5. *Non-disclosure/Confidentiality Agreements.* Vendor Personnel are required to sign the Governmental Entity’s standard confidentiality or non-disclosure agreement(s), or other confidentiality or non-disclosure agreement(s), including as may be required by applicable law, rule, regulation, or policy.

Such report must be given in the most expedient time possible and without unreasonable delay. Written confirmation must be sent to the Governmental Entity within forty-eight (48) hours of discovery or notification of the actual or suspected Security Breach. Such written confirmation shall include an explanation of the nature of and circumstances surrounding such actual or suspected Security Breach.
 - 11.3.2. *Investigations in Response to Actual or Suspected Breach.* Vendor and Vendor Contractors agree, at their sole expense, to take all steps necessary to

promptly remedy any actual or reasonably suspected Security Breach in Vendor owned equipment computers, storage devices, or systems, and to fully cooperate with the Governmental Entity in resolving and mitigating any damage from such actual or suspected Security Breach at Vendor's sole cost. At no additional cost to the Governmental Entity or the State of Iowa, Vendor and Vendor Contractor will fully cooperate with the Governmental Entity and its Authorized Contractors in investigating such actual or suspected Security Breach, including reviewing and assisting in reviewing system, application, and access logs, conducting and assisting in conducting forensic audits of relevant systems, imaging and assisting in imaging relevant media, and making personnel available for interview. Vendor agrees that it will not notify any regulatory authority relating to any actual or suspected Security Breach unless the Governmental Entity specifically requests Vendor do so in writing.

- 11.3.3. *Additional Remedies in the Event of Actual Breach.* Upon the Governmental Entity's determination that a Security Breach in Vendor Owned equipment, computers, storage devices, or systems involving or relating to Customer Data or related Deliverables has occurred, Vendor and Vendor Contractors shall fully cooperate with the Governmental Entity in fully rectifying and responding to such Security Breach. Notwithstanding any provision in this Agreement or any other related agreement to the contrary, Vendor will be solely responsible and liable for all costs, expenses, damages, fines, penalties, taxes, assessments, legal fees, claims, service fees, and any and all other amounts of any kind or nature whatsoever (including the reasonable value of time of the Iowa Attorney General's Office or the costs, expenses and attorney fees of other counsel retained by the State of Iowa or the Governmental Entity) related to, arising out of, or incurred by or on behalf of the Governmental Entity as a result of, any Security Breach caused directly or indirectly, in whole or in part, by any act, error or omission, negligence, or misconduct of Vendor, Vendor Contractors, or Vendor Personnel, including the cost of: notifying affected individuals and businesses or reporting to applicable regulators or Governmental Entities (including preparation, printing, mailing and delivery); opening and closing accounts, printing new checks, embossing new cards; forensic and other audits, investigations, public relations services, call center services, websites and toll-free numbers for assisting affected individuals; obtaining credit-monitoring services and identity-theft insurance for any person or entity whose information has or may have been acquired or compromised; and all other costs associated with corrective or other actions that are taken to mitigate or address the Security Breach. The Governmental Entity shall determine, in its sole discretion, the

content and means of delivery of any such notifications or reports. Vendor will reimburse or pay to the Governmental Entity all such expenses, fees, damages, and all other amounts within fifteen (15) business days of the date of any written demand or request delivered to Vendor.

11.3.4. Notwithstanding other requirements in this Agreement, if there is a breach of any "personal information" as that term is defined and governed by Iowa Code chapter 715C, that has been provided to Vendor or Vendor Contractor pursuant to this Agreement, Vendor understands and agrees that Vendor, not the Governmental Entity, shall be responsible for complying with any applicable provisions of Iowa Code chapter 715C, including but not limited to any applicable consumer notification requirements.

11.4. Survives Termination. Vendor's duties, obligations, and liabilities as set forth in this Section 11 (Security/Privacy, Business Continuity, and Disaster Recovery) shall survive termination of this Agreement and shall apply to all acts or omissions taken or made in connection with Vendor's, Vendor Contractor's, or Vendor Personnel's performance of this Agreement regardless of the date any potential claim or breach is made or discovered by the Governmental Entity or its Authorized Contractors.

12. General Provisions.

12.1. Ancillary Agreements and Non-Disclosure Agreements. Vendor or Vendor Contractors will execute any agreements to address any compliance, legal, confidentiality, or privacy concerns that may be unique to the Governmental Entity in connection with this Agreement, including executing a Confidential Information Requirements for Vendors addendum as required by Pub 1075. Such Ancillary Agreements shall be attached as Special Terms and Conditions hereto and incorporated by reference as if fully set forth herein.

As outlined in section 11.3.1, the Governmental Entity requires Vendor or Vendor Contractors to conduct E-Verify employment-eligibility verifications of Vendor Personnel performing or providing Services or Deliverables hereunder, including any Vendor Personnel who may have access to Customer Property or Customer Data. Vendor shall be responsible for all costs associated with the E-Verify process and shall provide the Governmental Entity with the results of this process in a mutually agreeable form and manner at the time or in intervals as mutually agreed to by the Parties.

12.3. No Publicity. During the Term of this Agreement and at all times after the termination or expiration of this Agreement, Vendor, Vendor Contractors, and Vendor Personnel shall not make any media release or other public announcement relating to or referring to this Agreement, a Purchasing Instrument, or the Services or Deliverables provided hereunder without the Governmental Entity's prior written consent. Vendor, Vendor Contractors, and Vendor Personnel shall acquire no right to use, and shall not use, without the Governmental Entity's written consent, the terms or existence of this Agreement, Purchasing Instrument, or the fact of providing Services or Deliverables to the Governmental Entity hereunder or the names, trade names, trademarks, service marks,

artwork, designs, or copyrighted materials of the State of Iowa, its related entities, employees, assigns, successors or licensees: (a) in any advertising, publicity, press release, customer list, presentation or promotion; (b) to express or to imply any endorsement of Vendor or Vendor's Services or Deliverables by the State of Iowa; or (c) in any manner other than expressly in accordance with this Agreement.

12.4. Independent Contractor. Vendor is an independent contractor performing services for the Governmental Entity.

12.4.1. Vendor, Vendor Contractors, and Vendor Personnel shall not hold themselves out as an employee or agent of the State of Iowa or its related entities.

12.4.2. Except as otherwise expressly provided herein or in a Purchasing Instrument, Vendor or Vendor Contractors shall be responsible for maintaining and furnishing a place of work, and any tools, supplies, apparel, facilities, equipment, and appropriate communications devices and services required for Vendor Personnel to perform and provide the Services and Deliverables hereunder.

12.4.3. Vendor Personnel are not eligible for or otherwise entitled to, and Vendor shall ensure Vendor Personnel never claim they are eligible for or otherwise entitled to, any Governmental Entity employee benefits, including retirement benefits, insurance coverage, or the like.

12.4.4. Vendor Personnel shall not be considered employees of the State of Iowa for any purpose, including for federal or Governmental Entity tax purposes. The State of Iowa will not withhold taxes on behalf of Vendor. Vendor shall be responsible for payment of all taxes in connection with any income earned in connection with its performance of this Agreement.

12.4.5. The Governmental Entity shall have no right or authority to direct or control Vendor Personnel with respect to the performance or provisioning of Services or Deliverables under this Agreement, or with respect to any other matter, except as otherwise provided by this Agreement or a Purchasing Instrument. The Governmental Entity is interested only in the results to be achieved by Vendor under this Agreement and related Purchasing Instruments. The manner and method of performing and providing Services and Deliverables under this Agreement and related Purchasing Instruments shall be under the exclusive control of Vendor, in accordance with the terms and conditions of this Agreement and the applicable Purchasing Instrument(s).

12.4.6. During any engagement under this Agreement, Vendor Personnel may perform work on behalf of, and provide deliverables to, Third Parties, and may market and advertise their services to Third Parties, so long as such activities do not: (a) violate any terms or conditions of this Agreement; (b) adversely affect the performance or provisioning of Services or Deliverables hereunder or satisfaction of any other duties, responsibilities, or obligations set forth herein; (c) create an actual or potential conflict of interest; (d) violate any intellectual property rights or interests of the Governmental Entity; (e) expose the Governmental Entity to an increased risk of experiencing a Security Breach or other cyber event.

- 12.4.7. Vendor and Vendor Contractors shall be free to hire employees as is necessary for their business purposes; provided, that such employees providing or provisioning Services or Deliverables hereunder shall satisfy the terms and conditions of this Agreement and any Purchasing Instrument(s) executed hereunder. The Parties acknowledge and agree that the Governmental Entity will not have the authority to hire, fire, supervise, control, or manage any Vendor Personnel.
- 12.4.8. Vendor Personnel shall not receive performance reviews, vocational training, or business cards from the Governmental Entity; shall clearly state in any and all communications related to the performance or provisioning of Services or Deliverables hereunder that they are employees of Vendor or Vendor Contractor, as opposed to employees of the Governmental Entity; and shall not be subject to the Governmental Entity's standard disciplinary practices and procedures.
- 12.5. Amendments. This Agreement may be amended, modified, or replaced from time to time by mutual consent of the Governmental Entity and Vendor. All amendments to this Agreement must be executed by both Parties in writing.
- 12.6. No Third Party Beneficiaries. Except as otherwise expressly stated herein, there are no Third Party beneficiaries to this Agreement. This Agreement is intended only to benefit the Governmental Entity and Vendor and their respective successors and permitted assigns and the individuals whose Personal Data is stored, transmitted, or otherwise Processed by the Deliverables.
- 12.7. Choice of Law and Forum. This Agreement shall be governed in all respects by, and construed in accordance with, the laws of the State of Iowa, without giving effect to the choice of law principles thereof. Any and all litigation or actions commenced in connection with this Agreement, including after expiration or termination of this Agreement, shall be brought in Des Moines, Iowa, in Polk County District Court for the State of Iowa, if jurisdiction is proper. However, if jurisdiction is not proper in the Iowa District Court for Polk County, but is proper only in a United States District Court, the matter shall be commenced in the United States District Court for the Southern District of Iowa, Central Division. Vendor irrevocably: (i) consents and agrees that any legal or equitable action or proceeding arising under, in connection with or arising out of this Agreement shall be brought and maintained exclusively in the aforesaid courts; (ii) submits to and accepts, with respect to any such action or proceeding, for it and in respect of its properties and assets regardless of the physical or legal situs thereof, generally and unconditionally, the jurisdiction of the aforesaid courts; and (iii) waives any objection to such jurisdiction based on forum non conveniens or otherwise. This provision shall not be construed as waiving any immunity to suit or liability, in state or federal court, which may be available to the Governmental Entity or its officers, directors, employees, officials, and agents, including sovereign immunity, governmental immunity, immunity based on the Eleventh Amendment to the Constitution of the United States, or otherwise. Vendor irrevocably consents to service of process by certified or registered mail addressed to Vendor's designated agent. Vendor appoints Mike McDermott, CEO, as its agent to receive service of process. If for any reason Vendor's agent for service is unable to act as such or the address of the agent changes,

Vendor shall immediately appoint a new agent and provide the Governmental Entity with written notice of the change in agent or address. Any change in the appointment of the agent or address will be effective only upon actual receipt by the Governmental Entity. Nothing in this provision will alter the right of the Governmental Entity to serve process in any other manner permitted by law. This Section 12.7 (Choice of Law and Forum) shall survive termination of this Agreement.

12.8. Assignment and Delegation. This Agreement may not be assigned, transferred, or conveyed in whole or in part without the prior written consent of the other Party, except that the Governmental Entity may assign, transfer, or convey this Agreement, in whole or in part, to any Governmental Entity that succeeds its duties hereunder or otherwise assumes responsibility for functions or duties currently assumed by the Governmental Entity. For purposes of construing this clause, a transfer of a controlling interest in Vendor, a merger, sale, or consolidation of Vendor, or a sale of substantially all of Vendor's assets shall be considered an assignment. Vendor agrees that it shall provide the Governmental Entity with the earliest possible advance notice of any proposed sale or transfer or any controlling interest in or substantial assets of Vendor and of any proposed merger, sale, or consolidation of Vendor. Vendor agrees that it shall not use this Agreement, or any portion thereof, for collateral or to otherwise secure any financial obligation of Vendor or any affiliate thereof without the prior written consent of the Governmental Entity. Vendor further agrees that it may not assign, pledge as collateral, grant a security interest in, create a lien against, or otherwise encumber any payments that may or will be made to Vendor under this Agreement.

12.9. Use of Third Parties.

12.9.1. None of the Services, Deliverables, Applications Services, or System(s) to be provided by Vendor pursuant to this Agreement shall be subcontracted or delegated to any Third Party, including Vendor Contractors, without the prior written consent of the Governmental Entity. Such consent shall not be deemed in any way to provide for the incurrence of any additional obligation of the Governmental Entity, whether financial or otherwise. Any subcontract to which the Governmental Entity has consented shall be in writing and shall in no way alter the terms and conditions of this Agreement. All subcontracts shall be subject to the terms and conditions of this Agreement and to any conditions of approval that the Governmental Entity may deem necessary. Vendor is solely liable for any and all payments that may be due to Vendor Contractors pursuant to any subcontract. Vendor shall indemnify and hold harmless the Governmental Entity and its officers, directors, employees, officials, and agents from and against any and all claims, demands, liabilities, suits, actions, damages, losses, taxes, penalties, costs and expenses of every kind and nature whatsoever arising out of, resulting from, or in any way related to Vendor's breach of any subcontract into which it enters, including Vendor's failure to pay any and all amounts due to any Vendor Contractor. In addition, the Governmental Entity is not responsible for any failure of any Vendor Contractors to pay any amounts that may be due Vendor, and Vendor may not refuse to perform its obligations under this Agreement for any such failure. If Vendor fails, neglects, or refuses to pay promptly, as due, any claim

for labor or services furnished to Vendor or any subcontractor by any person in connection with the Services and Deliverables performed or provided under this Agreement, the Governmental Entity may pay such claim and charge the amount of the payment against funds due or to become due Vendor under this Agreement. The payment of a claim in such manner shall not relieve Vendor or its surety from any obligation with respect to any unpaid claims. All subcontracts shall contain provisions which allow the Governmental Entity or its designee to access the subcontractor's books, documents, and records and for inspections of work, as required of Vendor herein. No subcontract or delegation of work shall relieve or discharge Vendor from any obligation, provision, or liability under this Agreement. Vendor shall remain responsible for such performance and shall be fully responsible and liable for all acts or omissions of any Vendor Contractors. Any action of a Vendor Contractor, which, if done by Vendor, would constitute a breach of this Agreement, shall be deemed a breach by Vendor and have the same legal effect.

12.9.2. Subject to the foregoing, as the date of the execution of this Agreement the Governmental Entity expressly consents to Vendor's use of the following Vendor Contractor's for the following purposes:

12.9.2.1. Reserved

- 12.10. Integration. This Agreement represents the entire agreement between the Parties concerning the subject matter hereof, and neither Party is relying on any representation that may have been made which is not included in this Agreement. Thus, the Governmental Entity shall not be bound by any "shrink-wrap" agreement, "click-wrap" agreement, "browser-wrap" agreement, or "sneakwrap" agreement, or any other similar agreement that may accompany, relate to, or be embedded in any Deliverable(s). Vendor acknowledges that it has thoroughly read this Agreement and all related Special Terms and Conditions, Ancillary Agreements, Purchasing Instruments, schedules, exhibits, and other like documents that are executed or may be executed hereunder and has had the opportunity to receive competent advice and counsel necessary for it to form a complete understanding of all rights and obligations herein and to accept the same freely and without coercion of any kind. Accordingly, this Agreement shall not be construed or interpreted against the Governmental Entity on the basis of draftsmanship or preparation thereof.
- 12.11. Supersedes Former Agreements. This Agreement supersedes all prior Agreements between the Governmental Entity and Vendor for the Services and Deliverables, provided in connection with this Agreement.
- 12.12. Waiver. Except as specifically provided for in a waiver signed by duly authorized representatives of the Governmental Entity and Vendor, failure by the Governmental Entity or Vendor at any time to require performance by the other Party or to claim a breach of any provision of this Agreement shall not be construed as affecting any subsequent breach or the right to require performance with respect thereto or to claim a breach with respect thereto. No term or condition of this Agreement shall be held to be

waived, modified, or deleted except by an instrument, in writing, signed by the Parties hereto.

- 12.13. Notices. Notices under this Agreement shall be in writing and delivered to the representative of the Party to receive notice (identified below) at the address of the Party to receive notice as it appears below or as otherwise provided for by proper notice hereunder. - 12.14. Cumulative Rights. The various rights, powers, options, elections, and remedies of the Governmental Entity provided for in this Agreement shall be construed as cumulative and no one of them is exclusive of the others or exclusive of any rights, remedies, or priorities allowed by law, and shall in no way affect or impair the right of the Governmental Entity to pursue any other contractual, equitable, or legal remedy to which they may be entitled. The election by the Governmental Entity of any one or more remedies shall not constitute a waiver of the right to pursue other available remedies.
- 12.15. Severability. If any provision of this Agreement is determined by a court of competent jurisdiction to be invalid or unenforceable, such determination shall not affect the validity or enforceability of any other part or provision of this Agreement.
- 12.16. Time is of the Essence. Time is of the essence with respect to Vendor's performance of its obligations under this Agreement. Vendor shall ensure that all Vendor Personnel providing Services and Deliverables hereunder are responsive to the Governmental Entity's requirements and requests in all respects, including in accordance with any specific timelines identified in a duly executed Purchasing Instrument.
- 12.17. Authorization. Vendor represents and warrants that it has the right, power, and authority to enter into and perform its obligations under this Agreement and that it has taken all requisite action (corporate, statutory, or otherwise) to approve execution, delivery, and

performance of this Agreement, and this Agreement constitutes a legal, valid, and binding obligation of Vendor, enforceable in accordance with its terms.

- 12.18. Successors in Interest. All terms, provisions, and conditions of the Agreement shall be binding upon and inure to the benefit of the Parties hereto and their respective successors, assigns, and legal representatives.
- 12.19. Records Retention and Access. Vendor shall maintain books, documents, and records that sufficiently and properly document Vendor's performance under this Agreement, including records that document all fees and other amounts charged during the Term of this Agreement, for a period of at least five (5) years following the later of the date of final payment, termination, or expiration of this Agreement, or the completion of any required audit. Vendor shall permit the Auditor of the State of Iowa or any authorized representative of the Governmental Entity, and where federal funds are involved, the Comptroller General of the United States or any other authorized representative of the United States government, at no charge, to access and examine, audit, excerpt, and transcribe any pertinent books, documents, or other records of Vendor, whether electronic or optically stored, relating directly or indirectly to Vendor's performance under this Agreement. Vendor shall not impose a charge or seek payment for any fee, charge, or expense associated with any audit or examination of such books, documents and records. Vendor shall require Vendor Contractors to agree to the same provisions as set forth in this Section 12.19 (Records Retention and Access).
- 12.20. Headings or Captions and Terms. The section headings or captions set forth in this Agreement are for identification purposes only and do not limit or construe the contents of the sections. Unless the context of this Agreement otherwise clearly requires, references to the plural include the singular, references to the singular include the plural, and the word "or" has the inclusive meaning represented by the phrase "and/or." The words "include" and "including" shall be deemed to be followed by the phrase "without limitation" or "but not limited to." The words "thereof," "herein," "hereunder," and similar terms in this Agreement refer to this Agreement as a whole and not to any particular provision of this Agreement.
- 12.21. Multiple Counterparts and Electronic Signatures. This Agreement and all related Special Terms and Conditions, Ancillary Agreements, Purchasing Instruments, schedules, exhibits, and other like documents that are executed or may be executed hereunder, including any amendments to any of the foregoing, may be executed in several counterparts, all of which when taken together shall constitute one contract binding on all Parties, notwithstanding that all Parties are not signatories to the same counterpart. Each such document(s) shall constitute an original. Signatures on such documents executed, scanned and transmitted electronically and electronic signatures shall be deemed original signatures, with such scanned and electronic signatures having the same legal effect as original signatures. Such documents may be accepted, executed, or agreed to through the use of an electronic signature in accordance with the Electronic Signatures in Global and National Commerce Act ("**E-Sign Act**"), Title 15, United States Code, Sections 7001 et seq., the Uniform Electronic Transaction Act, codified at Iowa Code chapter 554D ("**UETA**"), or any other applicable state law, rule, policy, standard, directive, or order. Any document accepted, executed, or agreed to in conformity with such laws, rules, policies, standards, directives, or orders will be

binding on the signing Party as if it were physically executed. Vendor acknowledges and agrees it will not contest the validity or enforceability of any such document(s), including under any applicable statute of frauds, because they were accepted, signed, or transmitted in electronic form. Vendor further acknowledges and agrees that it will not contest the validity or enforceability of a signed scanned or facsimile copy of any such document(s) on the basis that it lacks an original handwritten signature, or on the basis that the Parties were not signatories to the same counterpart.

- 12.22. Not a Joint Venture. Nothing in this Agreement shall be construed as creating or constituting the relationship of the partnership, joint venture (or other association of any kind or agent/principal relationship) between the Parties hereto. No Party, unless otherwise specifically provided for herein, has the authority to enter into any agreement or create an obligation or liability on behalf of, in the name of, or binding upon, another Party to this Agreement.
- 12.23. Attachments. The Parties agree that if an Addendum, Attachment, Rider, Schedule, Appendix, or Exhibit is attached hereto by the Parties, and referred to herein, then the same shall be deemed incorporated herein by reference as if fully set forth herein.
- 12.24. Further Assurances and Corrective Instruments. - 12.25. Obligations of Joint Entities. If Vendor is a joint entity, consisting of more than one individual, partnership, corporation or other business organization, all such entities shall be jointly and severally liable for carrying out the activities and obligations of this Agreement, and for any default of such activities and obligations.
- 12.26. Force Majeure. Neither Party shall be in default under this Agreement if performance is prevented, delayed, or made impossible to the extent that such prevention, delay, or impossibility is caused by a "force majeure." The term "force majeure" as used in this Agreement includes an event that no human foresight could anticipate or which if anticipated, is incapable of being avoided. Circumstances must be abnormal and unforeseeable, so that the consequences could not have been avoided through the exercise of all due care, such as acts of God, war, civil disturbance and other similar catastrophic events or causes. The delay or impossibility of performance must be beyond the control and without the fault or negligence of the Parties. "Force majeure" does not include: financial difficulties of Vendor or Vendor Contractors; claims or court orders that restrict Vendor's or Vendor Contractor's ability to perform or deliver the Services and Deliverables contemplated by this Agreement; strikes; labor unrest; supply chain disruptions hacker attacks; denial of service attacks; virus or other malicious software attacks or infections; or Security Breach. If delay results from a Vendor Contractor's conduct, negligence, or failure to perform, Vendor shall not be excused from compliance with the terms and obligations of Vendor unless the Vendor Contractor is prevented from timely performance by a "force majeure" as defined in this Agreement. If a "force majeure" delays or prevents Vendor's performance, Vendor shall immediately use its best efforts to directly provide alternate, and to the extent possible, comparable performance. Comparability of performance and the possibility of comparable

performance shall be determined solely by the Governmental Entity. The Party seeking to exercise this provision and not perform or delay performance pursuant to a “force majeure” shall immediately notify the other Party of the occurrence and reason for the delay. The Parties shall make every effort to minimize the time of nonperformance and the scope of work not being performed due to the unforeseen events. Dates by which Vendor’s performance obligations are scheduled to be met will be extended only for a period of time equal to the time lost due to any delay so caused.

- 12.27. Material Breaches. The references in this Agreement to specific material breaches of this Agreement shall not be construed as implying that other breaches of this Agreement are not material.
- 12.28. Right of Inspection/Contract Compliance. Vendor shall allow the Governmental Entity making purchases or its designee to inspect Vendor’s books and records at reasonable times in order to monitor and evaluate performance of this Agreement. All subcontracts shall contain provisions which allow the same. In addition, Vendor agrees that the Governmental Entity or its designee may conduct a complete contract compliance audit, at Governmental Entity’s expense, at least once annually during the Term of this Agreement and after termination or expiration of this Agreement to determine whether or not Vendor is complying with the terms of this Agreement and all related Special Terms and Conditions, Ancillary Agreements, Purchasing Instruments, schedules, exhibits, and other like documents. Vendor shall promptly comply with and correct any deficiencies noted in the audit report as audit exceptions and will promptly implement any recommendations requested by the Governmental Entity or its designee. Vendor shall not impose any charge or fee in connection with any contract compliance audit.
- 12.29. Taxes. Vendor shall be responsible for paying any taxes incurred by Vendor in the performance of this Agreement. The Governmental Entity is exempt from the payment of Governmental Entity sales and other taxes: https://das.iowa.gov/sites/default/files/acct_sae/man_for_ref/forms/sales_tax_exempt_letter.pdf.
- 12.30. Title to Property. Title to all property, including Customer Property, furnished by the Governmental Entity to Vendor to facilitate the performance of this Agreement and any Customer-Owned Deliverables shall remain the sole property of the Governmental Entity or applicable Third Party owning Customer Property that has been licensed to the Governmental Entity. All such property shall only be used by Vendor for purposes of fulfilling its obligations under this Agreement and shall be returned to the Governmental Entity upon the earliest of completion, termination, or cancellation of this Agreement or the applicable Purchasing Instrument, or at the Governmental Entity’s request. Vendor acknowledges that it shall acquire no interest or rights in and to such property. Except as expressly provided for in this Agreement, Vendor shall not disclose or use such property for any of the following purposes, including pledging or encumbering it; selling or using it for monetary gain; using it to compile mailing lists; solicit business; or pursue other business activities. Title to all property purchased by Vendor, for which Vendor has been reimbursed or paid by the Governmental Entity under this Agreement, or for Customer Property or Customer-Owned Deliverables purchased and paid for by the Governmental Entity under this Agreement, shall pass to and vest in the Governmental Entity.

- 12.31. Exclusivity. This Agreement is not exclusive. The Governmental Entity may obtain similar or identical Services and Deliverables from other vendors.
- 12.32. Award of Related Agreements. The Governmental Entity may undertake or award supplemental or successor agreements for work related to this Agreement. Vendor shall cooperate fully with Authorized Contractors who may be engaged by the Governmental Entity in connection with this Agreement, including complying with any license terms, conditions, or restrictions imposed by such Authorized Contractors in connection with any systems, software, or other intellectual property owned by or licensed by or through such Authorized Contractors and to which Vendor, Vendor Contractors, or Vendor Personnel must use or access or with which the related Deliverables must interface, integrate, or connect. Any reference herein to the Governmental Entity's designee or other like reference shall be deemed to include its Authorized Contractors. Vendor will ensure that any Vendor Contractors or Vendor Personnel will abide by this provision.
- 12.33. Sovereign Immunity. The Governmental Entity, on its own behalf or on behalf of any of its officers, directors, employees, officials, and agents, does not waive sovereign immunity or any other immunity available to it by entering into this Agreement and specifically retains and reserves the defense of sovereign immunity or any other immunity and all defenses available under Governmental Entity and federal laws, rules, and regulations for any claim arising out of or related to this Agreement.
- 12.34. Attorney's Fees and Expenses. In the event Vendor defaults on any of its obligations under this Agreement, Vendor shall pay to the Governmental Entity all costs and expenses (including the reasonable value of time of the Attorney General's Office and the costs, expenses, and attorney fees of other counsel retained by or on behalf of the Governmental Entity) incurred by the Governmental Entity in enforcing this Agreement or any of its rights and remedies with respect thereto.
- 12.35. Care of Property. Vendor shall be responsible for the proper custody and care of any property, data, databases, software, interfaces, hardware, telecommunications lines and equipment, and intellectual property, including Customer Property, furnished by the Governmental Entity for Vendor's use in connection with the performance of the Agreement. Vendor shall exercise its best efforts to prevent damage to all such property and shall, at the Governmental Entity's request, restore damaged property to its condition prior to the damage at the sole expense of Vendor. Such restoration shall be complete when judged satisfactory by the Governmental Entity. In addition, at the Governmental Entity's request, Vendor will reimburse the Governmental Entity for any loss or damage to such property caused by Vendor, Vendor Contractors, or Vendor Personnel. Vendor shall not take any action that would impair the value of, or goodwill associated with, the name, property, and intellectual property rights of the Governmental Entity or State of Iowa.
- 12.36. Survives Termination. This Section 12 (General Provisions) shall survive termination or expiration of the Agreement.
