

**DEPARTMENT OF MANAGEMENT (“DOM” or “Agency”)
Broadband Grants Program—Empower Rural Iowa, NOFA #008
October 30, 2023**

Notice of Intent to Award (“NOIA”) Broadband Grant Funds:

Federal Funds Disclaimer: Awardees, in deciding whether to accept or reject this Award offer and enter into a Grant Agreement with the Agency, are solely responsible for determining whether and to what extent receiving these funds for a Project may result in the forfeiture of or have an adverse impact on any related or overlapping federal award or opportunity, whether previously awarded or available in the future.

In accordance with the terms and conditions of the Broadband Grants Program—Empower Rural Iowa Notice of Funding Availability #008 (“NOFA”), following the Agency’s final agency decision regarding whether, to which projects, and in what amount(s) to make an award(s), the Agency is responsible for notifying Applicants of NOFA award decisions by issuing a NOIA. This NOIA is being distributed by email to each Awardee’s Authorized Contact and will be posted online at [Iowa Grants](#) and <http://ocio.iowa.gov/broadband>. Unsuccessful Applicants are solely responsible for reviewing the website to determine their Award status.

The Agency has reviewed, evaluated, and scored the Applications received in response to NOFA #008 in accordance with the requirements, terms, and conditions of NOFA #008, and through this NOIA hereby Awards the following amounts to the following Applicants/Applications. Note: Partial awards, wherever made under this NOIA, are denoted using the following footnotes as applicable:

¹ Awards identified with a superscript 1 indicate a reduced Award amount due to Broadband Serviceable Location(s) (BSL) that intersect with an ILEC’s accepted Enhanced A-CAM offer, making the BSL(s) ineligible for NOFA #008 funding. The reduction in the Award amount is commensurate with the removal of the impacted BSL(s). **The revised project area will be transmitted to Awardee prior to transmission of the grant agreement.**

² Awards identified with a superscript 2 indicate a reduced Award amount due to BSL(s) overlap with a higher-ranking application. The reduction in the Award amount is commensurate with the removal of overlapping BSL(s). **The revised project area will be transmitted to Awardee prior to transmission of the grant agreement.**

³ Awards identified with a superscript 3 indicate a reduced Award amount due to successful Project Location Challenge(s) to BSL(s) within the award area. The reduction in the Award amount is commensurate with the removal of successfully challenged BSL(s). **The revised project area will be transmitted to Awardee prior to transmission of the grant agreement.**

⁴ Awards identified with a superscript 4 indicate that an amount less than the funds requested by a particular Applicant was awarded commensurate with the remaining funds following the issuance of all other Awards, consistent with NOFA #008, section 1.6.5.2.

This NOIA is contingent on the successful execution of a Grant Agreement and, as a result, does NOT constitute the formation of a contract between the State and any successful Applicant. Awardees shall not acquire any legal or equitable rights relative to the Award of grant funds until a Grant Agreement has been executed. If a successful Applicant fails to negotiate/execute a Grant Agreement with the State for any reason, the State, in its sole discretion, may cancel or otherwise modify this NOIA accordingly. The State further reserves the right to cancel this Award, in whole or in part, at any time prior to the execution of a written Grant Agreement with the given Applicant. The Agency may increase an Award where a higher-ranking Applicant declines an award that had impacted a lower-ranking Applicant.

Adversely affected Applicants have five (5) days to submit a notice of intent to appeal this Award decision in accordance with Iowa Administrative Code chapter 129-11.3(1). Applicants may appeal an adverse decision only for a timely submitted Application. Appeals may clearly and fully identify all issues being contested and demonstrate what requirements or procedures in Applicable Law, rule, or the NOFA were violated. In the event of an appeal, the Agency will continue working with other successful Applicants pending the outcome of the appeal.
